(By Canadian Press)

## New Brunswick Views Freight Rate Increase With "Great Misgivings"

SAINT JOHN, N.B.—In an official statement today, the Province of New Brunswick told the Board of Transportation Commissioners that it views with "great misgivings" the application of the Canadian railways for a general freight rate boost as the Board opened its first coast to coast hearings. A spokesman said the government was "diametrically opposed to any action that will weaken our position economically within the nation."

## REDS AGAINST INVESTIGATION

LAKE SUCCESS—British and American sources predicted today that Russia would lose her fight to prevent the United Nations from setting up a border watch over the troubled Balkans. Majority of UN Security Council members were reported as against the Soviet resolutions demanding sharp curtailment of powers for the commission to investigate the warfare along Greece's northern border.

## FRENCH OBJECT TO "SNOOPING"

PARIS—Twin currents of unrest swept through France today in the wake of demonstrations by crowds at Lyon who forced a Government official to countermand an order affecting the ceiling of all bread coupons for May. One element of discontent was spearheaded by the working class, chronically short of bread and meat. Another by small traders, against what they term red tape, official "snooping and high taxation." Many other incidents were reported arising from the food shortage.

## JOBLESS DROP IN B.C.

VANCOUVER—The Employment Service reported today there are 18,000 unemployed persons in British Columbia, making 9,000 less than in May, 1946. Unfilled jobs in Vancouver total more than 3,600. Jobs are available in logging and mining industries and for construction work, according to an official statement.

## END SEARCH FOR "MISSING" PLANE

VANCOUVER—Royal Canadian Airforce officials believe there is "no basis" for the report an unidentified black monoplane crashed into the bush area near McBride, B.C. Search parties are being withdrawn after a widespread search of the area.

## WOMEN WAR AGAINST CRICKETS

ORDINANCE, ORE.—Housewives here, armed with brooms and mops sought vainly today to halt the march of a 10-mile-wide army of Mormon crickets eating its way through the town's gardens. Millions of the destructive insects are pressing toward valuable crops.

## FISH FRY IN \$1,000,000 FIRE

EASTPORT, ME.—Over a third of Eastport's major industry was wiped out last night in a spectacular fire, with the loss unofficially estimated at close to \$1,000,000. Two of the city's six sardine canning factories and the pearl essence plant were among the over score of wooden waterfront buildings that were razed.

## "NO STRIKES FOR TWO YEARS"—MURRAY

ATLANTIC CITY—CIO President Phillip Murray, Wednesday, issued an order to 16 unions of the United Steel Workers (CIO), forbidding strikes for the next two years.

## TRADE NEWSPRINT FOR OILS

OTTAWA—Canada will meet her 1947 requirements of edible oils by trading 18,000 metric tons of sorely-needed oil for similar and additional tonnage of newsprint, Finance Minister Abbott disclosed in the House of Commons Wednesday.

## LABOR PARTY NOT IN LINE-UP

LONDON—Labor Party leaders, aiming for a showdown with the Leftist rebel bloc, declared today the aim of British-American understanding is to prevent war. "The Labor Government," a party leader said, "does not propose to take sides in the next world war."

## WOULD PUT QUESTION TO PEOPLE

OTTAWA—Bona Arseneault (Lib., Bonaventure), told Commons yesterday "the whole question of Dominion-Provincial relations should be put to the people" in a general election.

## NEW ZEALAND TRADE INCREASES

VANCOUVER—Hope for an increased volume of trade between Canada and New Zealand was signified here today by J. A. Malcolm, New Zealand Trade Commissioner to Canada. In an address prepared for delivery to the National Foreign Trade Conference, Malcolm said that the volume of New Zealand trade with Canada "makes us a customer worthy of attention and as the time goes on there should undoubtedly be opportunities for an increase of reciprocal trade." Malcolm added that "it is my feeling that Canada can look with increasing interest towards New Zealand as an export market."

## GET TAX REBATE AT SOURCE

VICTORIA—Users of colored gasoline for industrial purposes will get their tax rebate at the source after June 2, instead of applying to the Government for refunds and then waiting to get their money back. Purple gas sells for nine cents a gallon less than the price for uncolored gasoline, but it must be used for industrial purposes only.

## Car Owners Will Be Spared Yearly Levy Under Provincial Insurance Plan, Attorney General Reveals

MOTORISTS in British Columbia will not have to contribute towards the Unsatisfied Judgments Fund which was authorized at the last session of the Legislature under amendments to the Motor Vehicles and Insurance Acts, Attorney-General Gordon Wismer announced Wednesday evening in an address to the Kelowna Board of Trade. The fund will be built up from money provided by the various insurance companies, he stated. Under the new legislation, this fund was to be used to compensate persons suffering loss through accidents in which financially irresponsible persons were involved. The legislation contemplated that one dollar a year would be levied on each driver to meet this fund. This will not be necessary now, Mr. Wismer stated, complimenting the insurance companies for their farsighted policy.

Mr. Wismer said he had been endeavoring for some time to make arrangements so that the public might be relieved of the burden of this addition to the licence fees now payable. "I am glad to be able to announce at this time that my efforts have been successful and at the instance of the government and as a result of the arrangements which I have in hand, the amount of unsatisfied judgments as they are known to be paid by insurance companies instead of by the public through the additional levy of \$1 now provided for."

In an interview with a Courier representative yesterday afternoon, Mr. Wismer said he was going to make an important announcement for the first time. "I am glad to be able to make it in Kelowna," he smiled.

To the jammed meeting last night, he explained the amendments which brought into force in this province provisions for the protection of the public similar to those now in

## Reduce Traffic Toll

The amendments, he said, were designed to reduce the toll of road accidents. They will make for better and safer driving.

They provide for the suspension and cancellation of licences in respect of motor offences and on failure to meet judgments incurred in respect of accidents. They also provide, the Attorney-General continued, for the impounding of owners' cars involved in accidents when they have not provided proof of financial responsibility.

"They also contain provisions for the setting up of a fund to meet judgments obtained in road accident cases, on which judgments the aggrieved person has not been able to recover from the guilty party. The amendments to the statute, in this regard, provide for an additional

## HOPE HEAVY BLASTING WILL BE OVER SOON

Rock Pit in North End of City May Be Moved Around Poplar Point

## VETS COMPLAIN

Residents of Wartime Houses Complain Rocks Being Shot Over on Homes

The heavy blasting which has been going on at the city's rock pile in the extreme north end of the city, will probably be over in about three weeks' time, and it is possible that within another year, the gravel-crushing plant will be moved to another site.

This was revealed at the City Council meeting Monday night when Mayor W. B. Hughes-Games stated he had received another complaint from a resident of the wartime houses, regarding the rocks being shot over toward the homes.

Alderman Jack Horn explained that it takes about four tons of rock to get one ton of suitable stone for the filter bed at the city's disposal plant, and he expressed the opinion that the heavy blasting will probably be finished within the next three weeks. The alderman said he is also investigating the possibility of removing the rock pile around Poplar Point, adding that he hopes the rock seam continues through to the other side of the point.

At the outset of the discussion, His Worship stated that one complainant in the wartime houses had threatened that unless something is done to prevent the stones flying over on the houses, residents will seek an injunction to prevent the city operating the rock pit.

## AGRICULTURAL HEADS WILL VISIT CITY

Federation of Agriculture Directors Will Hold Fall Meeting in Kelowna

The directors of the Canadian Federation of Agriculture will hold their fall meeting in Kelowna in September, J. R. J. Stirling, president of the B.C.F.G.A., told the directors of that body here on Wednesday.

Mr. Stirling stated there were twenty-five directors and, while the dates had not been definitely set, the conference would probably be held in September 15, 16 and 17. It is planned that one day of the deliberations will be open to the public while the remaining two will be in camera. Final day of the Armstrong fair is September 17, and efforts will be made to have the directors attend.

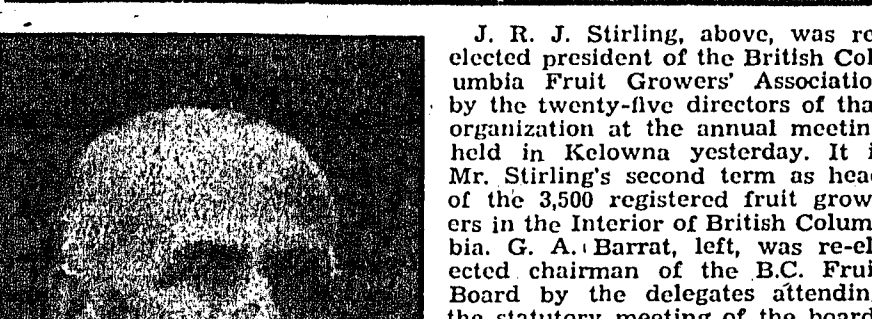

The directors represent various agricultural interests from coast to coast and it is hoped that while they are in the Valley they will obtain a picture of the B.C. fruit industry with its apple pack running at its peak.

The B.C.F.G.A. directors were unable to decide where the next convention would be held. The organization had invitations for its next general meeting in January from Kelowna, Vernon and Penticton. The convention has not been held in Vernon for some years and may go there next year. However, accommodation is an important factor, as there will be nearly two hundred present. Last year Vernon was unable to accommodate the group and Kelowna undertook to do so. The directors left the final decision to the executive pending further investigation into the accommodation guarantees offered by the three towns.

## PARKING METERS

Pamphlets outlining the Mi-Co parking meter were received by the City Council Monday night, but the matter was referred to City Engineer Harry Blackborough to study. An official of the company said he would be in the city shortly and would give a demonstration of the parking meter.

## Fruit Officials Re-elected

## ACTS ON CITY'S NEED FOR PIPE

Hon. Grote Stirling, M.P., informed the City Council Monday night that he will do his utmost to bring the city's need for water pipe before the proper authorities.

A week ago the Council wrote Mr. Stirling informing him of the urgency of obtaining pipe in order that residences can be furnished with water this winter. The matter has been placed before Hon. C. D. Howe, Minister of Reconstruction.

## B.C. Fruit Board Heads Re-elected as Growers Meet For Annual Parley

TWENTY-FIVE fruit growers from the Okanagan and Kootenays, acting in the dual capacity of delegates to the statutory meeting of the B.C. Fruit Board, and as directors of the B.C.F.G.A., met in Kelowna on Wednesday. As B.C. Fruit Board delegates they re-elected the three members of the Board, G. A. Barrat, chairman, and P. E. French and C. J. Huddleston. As directors of the B.C.F.G.A. they elected the following executive: President, J. R. J. Stirling, East Kelowna; Mainline, J. G. Campbell, Salmon Arm; North Okanagan, W. T. Cameron, Coldstream; Central Okanagan, I. Newman, Glenmore; South Okanagan, G. A. Lundy, Oliver; Kootenay-Creston, J. S. Hall, Erickson.

As B.C.F.G.A. directors they recommended that the following be nominated as governors of B.C. Fruit Ltd.: Mainline, J. C. A. Barrat.

In the case of both B.C. Tree Fruits Ltd. and B.C. Fruit Processors Ltd., as they are limited companies, the directors of the B.C.F.G.A. have no power to elect the directors, but merely to recommend them. The men recommended by the B.C.F.G.A. will be elected to the board of directors of the companies by the shareholders, who, in effect, the present company directors. Each holds a share in trust for the members of the B.C.F.G.A.

Under the provincial marketing act, it is necessary for the B.C. Fruit Board to hold a statutory meeting each spring to give an accounting of its stewardship and for the election of its three members by representatives appointed by the growers.

## May 24th Celebration To Be Highlighted By Crowning of May Queen in Park

The 24th of May celebrations for Children's Day, sponsored by the Gyo Club, will be highlighted by the crowning of a May Queen. The regal party will make a public appearance at 1:30 p.m. at the park with a guard of honor of Sea Cadets, and on the platform in front of the grandstand at the cricket oval, retiring queen Joyce Harding, will step down in place of Linda Ghezzi. The members of her court, elected to represent their schools, are Shirley Anne Draginov, from

Bennoville; Patsy Spencer, Black Mountain; Margaret Heitzmann, East Kelowna; Vivian Geen, Ellison; Wilma Robertson, Mission Creek; Heather Dunlop, Okanagan Mission; Clarence Yeast, Rutland; Barbara Burke, South Kelowna; May Walder, Westbank, and Janet Pico, Winfield.

In the Elementary School there are three classes of grade six. In each class, one girl was elected. The three winners then went to the principal, Fred Marriage, where they drew lots, the result being that Linda was Queen and Moira Brown and Lorraine Klein were elected princesses.

In Moira's class, there are 46 pupils. Moira lives at 518 Rosemead Ave. Her dad is George Brown, of B.C. Tree Fruits, and was born in

Manitoba. Her mother was born in Edinburgh, Scotland, of the Bonnar family. Moira is 11, has fair hair and blue eyes, and when interviewed, she said she was very happy to be chosen May Queen. She has had a lot of fun in a class of 19 in the musical festival. She is a pupil of Mrs. Paddy Cameron, and gave a musically performance of Purcell's "Minuet in G" and Lemont's "Little Bells."

Moira likes fishing and makes trips with her mother to Bear Lake, Woods Lake and other good fishing spots.

## Plans Completed For Gala Gyro Empire Day Celebration In City Park Saturday

## STATES SHOOK, NAIL PICTURE IS IMPROVED

Most of Mills Running Ahead of Last Year, L. R. Stephens Tells B.C.F.G.A. Directors

## OUTSIDE LUMBER

Box Shook Nail Shipments Are Better, But Flume Nails Still Scarce

There need be no undue concern over the box shook or the nail situation, L. R. Stephens, secretary of the industry box shook committee, told B.C.F.G.A. directors here on Wednesday.

Regarding shook, he reported that most of the mills are running ahead of last year's deliveries. In 1946, at the start of the strike, the mills had delivered about 25 per cent of the order. On the same date this year all mills are above that figure, excepting Penticton and Salmon Arm.

Kamloops, he estimated, has delivered about twenty-five per cent; Armstrong, 35 per cent; Vernon, 35 per cent; Kelowna, 40 per cent; Summerland, 40 per cent; Oliver, 30 per cent. The Kootenays are in good condition, but Penticton, due to the mill fire, is down, but production is rapidly being resumed. However, some shook had been ordered for this area from a Coast mill, he said.

It may be necessary, he stated, to purchase one lumber for some of the mills as was done last year, but the amount should be considerably less, he stated. Last year, three million board feet of lumber was brought at a cost of \$50,000. This year it will be more difficult in purchasing it this year as lumber prices have advanced considerably.

Mr. Stephens emphasized that while the price ceiling for lumber had been increased considerably, most of the local mills had not yet increased their prices. However, there is a demand for increased wages by labor again, and this may force the mills to up their prices. Most of the mills felt the increases in ceiling prices are not necessary.

An increase in wages will inevitably mean an increase in the price of box shook. If wages are increased by ten cents an hour, it will mean the cost of each box will be upped two and a half cents. This would mean the basic box price to thirty cents. Any increase in the cost of operation of the mills must be reflected in the price the grower pays for his box, he stated.

The ninth car of box nails is now being shipped. At the start of last year there had been two cars shipped. In the light of these facts, Mr. Stephens thought the box nail situation was not too bad, although he admitted that some packing houses did not have large supplies.

The shipments are spread over the industry and the present shortage is due in a considerable degree to the fact the making of boxes was commenced earlier than usual this year.

Flume nails are a different story, he said. The average use is 75 to 100 kegs a year. This year orders have been received for 800 kegs and over 200 have actually been delivered.

It has been ascertained that some black marketing of flume nails has been going on and he suggested that a policy of stopping the flume nail orders should be instituted. In the first place, flume work should now be completed, and accordingly, even if flume nails delay or eliminate a keg of box nails. The plant simply can't do both, he said.

Arrangements had been made for forty kegs of nails to be used for the building of pickers' accommodations. After careful investigation supported by building contractors, it had been ascertained that thirty kegs of nails would build a picker's house of 280 square feet of floor area. This would be 14 by 20 feet, but would not include the lining. The nails available are 2 1/2 and 3 1/2 inch sizes recommended by the builders, but there are no 2 inch nails for lining at the moment.

These nails are already in the hands of the distributors and are available following the approval of grower's applications. He warned that the application forms are rather long, but every question has a purpose and every effort is being made to avoid the situation which has developed in the flume nails.

He stated that while reliable estimates indicate that 30 rounds are sufficient for 280 feet of floor space, he has had applications of absurd figures. One he quoted requested 500 pounds of nails to build a shack of 180 feet.

Another equally absurd request was that of a grower who stated he planned to build pickers' accommodation of 1,800 square feet when his orchard only produced 3,400 boxes of apples.

TEEN TOWN CONCERT FRIDAY

Ticket sales for the concert sponsored by Kelowna Teen Town, which will feature the Ukrainian Orchestra, singers and dancers, are going satisfactory. Teen Town Mayor Andy Sperle stated this morning the concert will be held in the Kelowna High School Auditorium tomorrow night commencing at 8:15 p.m.

Tickets may be procured at Schell's Grill, Spurrier's or George's Tire Shop, while some will also be available at the door.

Annual Gyro Sports Day Outstanding Holiday Event of Year—Varied Program Will Attract Visitors from all Points—Celebration Will Be Highlighted by Crowning of May Queen—Pet Parade Starts at 10 a.m. Saturday—Baseball and Lacrosse Games Feature Sports Program—Three Dances in Evening

## Award Special Prizes

CONSIDERED one of the outstanding holiday events of the year which annually attracts hundreds of visitors from surrounding communities as well as providing an opportunity for local children and adults to observe the May 24 holiday, plans are now complete for the annual Empire Day celebration which will be held in the City Park oval on Saturday. Sponsored by Kelowna Gyro Club, officials are keeping one eye cocked on that the well-balanced program may be carried out without a hitch. With the first event scheduled to get underway at 10 a.m., the annual celebration will not wind up until midnight Saturday when three mammoth dances will bring the holiday program to a close.

Highlight of the program will be the crowning of the May Queen, which in itself, is a colorful ceremony, following which scores of children will take part in the Maypole dancing. Special prizes will be awarded in children's sports, while a baseball game between Vernon and Kelowna will bring the afternoon celebration to a close. In the evening, a box lacrosse game is scheduled between Kelowna and Vernon, which commences at 9 p.m., while for those who prefer dancing, three orchestras will be in attendance at various halls.

In order to give the city a holiday atmosphere, store owners and private residents are being urged to get out their flags and bunting so that the town will be in a festive mood.

The children look forward to the pet parade as one of the main events of the day, and the little ones will be busy giving the final grooming to their little animal or bird that will be entered in one of the eleven classes open to contestants. And, of course, the schools will take part. A great thrill out of seeing the wet tots giving loving care to the small creatures as they pin their hopes on their entry winning a prize.

Special Prizes

In the 11 classes, there will be a small flag for every contestant, and the first prize winner will get 75 cents; second, 50 cents, and third, 25 cents. There will also be a special prize of 25 cents for each of the classes. Prizes will be awarded to those who appear to have taken the greatest care of their pets by keeping them well groomed and clean and in their general condition and appearance.

They will line up with their pets at 10 a.m., in the park, opposite the City Park Cafe, and will later parade around the athletic oval, where prizes will be awarded.

The afternoon parade will form at the Canadian Legion at 1 p.m., and May Queen Belinda Ghezzi and her two princesses, Moira Brown and Lorraine Klein, will be picked up at the Royal Anne Hotel, along with Capt. J. C. Edwards, C.B.E., R.C. B.C. Ranch Boys at the Scout Hall, N., prior to proceeding to the City Park, where the afternoon program will get underway at 1:30 p.m. The Sea Cadet band will be in attendance.

The crowning of the May Queen of the local service club.

At 9 p.m., the box lacrosse fans will witness their first game of the season between Vernon and Kelowna, and later they will have an opportunity of attending any of the three dances being held at the Aquatic, Scout Hall or Zenith Hall. Carl Dunaway's orchestra will be at the Aquatic, Ken Moore's orchestra from Calgary at the Zenith Hall, and the B.C. Ranch Boys at the Scout Hall.

At 6 p.m., the May Queen and her court will be guests of the Gyro Club at a banquet in the Royal Anne Hotel, which will be presided over by Walter Anderson, president of the local service club.

## Rumor Mongers Rapped By Wismer Who Denies Coalition Breaking Up

ANY ideas that the Coalition Party in B.C. was about to crack up were put to rest last night by G. S. Wismer, K.C., Attorney-General for B.C., when he addressed an overflowing meeting of the Kelowna Board of Trade at the Royal Anne Hotel. Explaining that he was in Kelowna to give "an account of his stewardship," he derided the tactics of rumor mongers who spread false and confused notions about the inner workings of the Coalition party. He denied flatly there was any truth in the conflicting rumors.

"I see one day that Premier Hart is going to resign and that I am to be the new premier. Then that story is contradicted and some one else is chosen for that high office," said Mr. Wismer. "I really think I should be consulted before I am committed to any of the varied programs in which I am supposed to play a major part."

Mr. Wismer claimed that "arm-chair political strategists and prophets who are spreading these stories are doing a real disservice to this province." He charged they were spreading abroad the idea that the Coalition "is seething with discord and in fact 'is about to fall apart.'"

Doesn't Want Power

"There is no truth whatsoever in these suggestions," he declared flatly. For himself, he said, "I have been and propose to be loyal to the mandate given to me by the people who elected me as a Coalition member. I have no desire for power or promotion."

"I believe," he continued, "the Coalition is giving the province a sound administration, and I believe the majority, the vast majority, of the electors want the Coalition continued. There is no stalemate. There is no great conflict of principles such as some people suggest."

"Why should such an organization be broken up?" he asked. "Will it not be time enough if an issue of such importance arises which brings the parties into hopeless conflict?"

In his opinion, such an issue would not arise, and he saw no reason why "this Coalition could not be carried out indefinitely, giving good government and bringing in progressive measures for the benefit of the province and its people."

"In my belief, our people are more concerned with the maintenance of the system under which we have always lived—the system of

## A. E. MILLER CHOSEN REEVE OF PEACHLAND

Defeats C. O. Whinton by Margin of Two Votes When 123 People Cast Ballots

PEACHLAND—A. E. Miller was elected Reeve of Peachland by the narrow margin of two votes in yesterday's by-election, held by the two candidates, C. O. Whinton. A total of 123 votes were cast. Mr. Miller receiving 62 and Mr. Whinton, 60. There was one spoiled ballot.

The election was brought about by the resignation of Reeve A. J. Chidley, who resigned three weeks ago due to ill health. Both Mr. Miller and Mr. Whinton resigned from the council in order to contest the vacant seat.

When nominations closed last Friday, C. F. Bradley was chosen by acclamation to fill one of the two vacant council seats. It is considered likely that Mr. Whinton will again offer his services to complete the council.

## LEGION W.A. HOLDS MEETING

The Legion W.A. held their meeting on Tuesday, May 20, at which a new member, Mrs. M. M. Anderson, past president of the New Vets No. 163, Vancouver, was welcomed.

The homecoming sale of April 26 realized \$42.70, and this sum will be added to the building fund.

Mrs. Lockwood was appointed to represent the W.A. at a meeting to be held in the office of Whillies & Gadsden on May 22, to form committees that will assist with the mass chest X-ray survey.

Mrs. Sargeant offered to look after buying a useful layette, which will be sent to Europe as a donation from the members.

## PLANS MADE FOR WINFIELD SPORTS DAY

Keen Interest Being Taken by Residents of Community for June 9 Holiday

WINFIELD—The regular monthly meeting of the Farmers' Institute was held in the hall on Wednesday, May 15, with 28 members present. Following the reading of the minutes, the president called on Norman Hitchman, who gave a report on the activities of the sports committee.

He stated that the committee had decided to hold a community sports day at the "Spot" at 2 p.m. on June 9th, a holiday. The Women's Institute had been asked to look after concessions.

Volunteers, who offered their services for the day were W. Stewart, G. Elliot, T. Duggan and E. Ziprick. The question of transportation was brought up and Mr. Hitchman was to write to the School Board to ascertain if the school bus would be available that day.

Art Arnold gave a detailed report on the work of the Mosquito Control Committee. He had obtained one barrel of oil free from an oil company and purchased another one. The district was sprayed on several different occasions with the help of T. Duggan's fog sprayer.

The following volunteers assisted with the work: Art Arnold, Tom Duggan, Bert Hoffman, John Swaisland, Nelson Arnold, Ross McDonald, Ralph Berry, Jr., Stan Edwards, Ivor Johnson and Art Pollard.

The secretary reported the result of the census for mosquito control to be \$92.77.

### Boy Scout Troop

John McCoubrey brought up the matter of establishing a Boy Scout troop in Winfield. A committee of three had already been appointed, and it was suggested that the Farmer's Institute sponsor the movement and appoint several of its members to act on the committee.

The president urged the members to support the boys, and it was moved by Jimmy Hayes, that the Institute should sponsor this troop. The president called on the guest speaker, W. A. C. Bennett, M.L.A., who gave a fine account of the highlights of the last session of the legislature. Following the talk, there was a brief period for questions. Refreshments were served.

## CITY GYMNASTS PUT ON DISPLAY AT EXPOSITION

Local gymnasts will be putting on a display at Vernon next week, as part of the many attractions during the Vernon-Okanagan Industrial Exposition. The show is understood to have been especially requested by the provincial department of physical education.

Pro-Rec Instructor for the Interior, Bill Wilcox has rounded up the following Kelowna artists for the show: Angie Ciancone, Basil Jennens, Albert Bianco, Roy Richards, Phil Noonan, Leon Bowser, Bill Pavie and the two Gagnon girls, Reba and Thelma. Some Kamloops gymnasts are also expected to take part in the display, Wilcox said.

Present arrangements call for the show to be staged in conjunction with the Okanagan Valley Schools' Track and Field Meet, set for Friday, May 30.

## MANY WESTBANK PEOPLE TAKE 'PLANE RIDE

Aircraft Lands on Strip Near B.C. Fruit Shippers' Cottages

WESTBANK—Considerable excitement was experienced Monday afternoon when a plane landed on the Indian Reserve cut-off land across from B.C. Fruit Shippers' cottages. However, the runway proved too short to be safe and after locating a clearer, longer runway further over on the reserve, one of the airplanes from the Dave Smith Airways, of Penticton, took many of the Westbank residents up for ten to fifteen minutes flights. The plane returned Tuesday afternoon, when many who had been disappointed the day before were able to have a ride.

Norman Crowe, a student of the U.B.C. is visiting his brother, Howard Crowe.

Mrs. M. Pritchard and Mrs. F. W. Clarke were visitors in Kamloops last week.

Miss Joy MacKay spent Sunday at the home of her parents, Mr. and Mrs. S. K. MacKay.

Mrs. Dunn and April, of Manitoba, were visitors at the home of Mrs. K. Stewart.

Mr. and Mrs. Dave Gellatly accompanied Mr. and Mrs. C. D. Dobbin and Miss Joyce Ralph on a motor trip to the Coulee Dam last week.

Miss Joyce Ralph, a former high school teacher of Westbank, is the guest of Mr. and Mrs. C. D. Dobbin.

Mrs. C. F. Hoskins accompanied her niece, Mrs. L. Trautman, of Peachland, to Vernon to attend the Music Festival. Miss Doreen Trautman will be one of the piano contestants.

C. Butt was on a fishing trip to Mable Lake last week-end.

Mr. and Mrs. D. Sampson have moved to the lake, and taken up residence in the white cottage on the Pritchard Orchards. Mr. Sampson will attend to the irrigation pump for the summer.

A fine of \$300 or three months in jail was imposed on R. R. Thompson when he was convicted in city police court May 19, of selling liquor unlawfully. Louise McDougall, charged at the same time with unlawfully purchasing liquor, was fined \$50 and costs or 30 days.

## Caste System in India Explained To Peachland by Col. St. John

Hatred Between Mohammedans and Hindus Reason for Constant Clashes

PEACHLAND—Lt. Col. F. O. St. John was guest speaker at the regular monthly meeting of the P.T.A. held in the Municipal hall last Thursday. Col. St. John gave an informal and friendly talk on India, and told of the tremendous difficulties in administration of land.

There are over 400 hundred million people in India, he said, and the Hindus are locked in a caste system which makes progress very slow. There are over 2,000 castes in India, and of these, only six are allowed to fight, he said. The hatred of the Mohammedans for the Hindus was told to the constant clashes in India and he said the northwest frontier was never free of raids, ambush and murder. As a result of this, lack of control by the British would eventually result in the Hindus being enslaved by the war-like Mohammedans, who hate and despise them.

Col. St. John described the fighting tribesmen that live beyond the Khyber Pass, and the magnificent soldiers, he said. While in service they are loyal, but when they leave, they would shake hands with you, yet two weeks later their tribesmen against a British outpost and try to kill the men they had just left. If they cannot find a path vulnerable to attack, they will fight among themselves for the sheer love of battle.

As an example of this, the speaker told of riding along the road through Khyber Pass and having the car in which the party was riding ridden to and fro by slugs from a hidden party of tribesmen.

After the British officers and men had jumped from the car into a ditch, resolved to defend themselves, the attackers came running up, smiling and shaking hands and apologized. They had forgotten it was Thursday, the day when by arrangement and paid subsidy, the British could travel unmolested through the Pass. Such is the nature of the frontier, he declared.

Col. St. John touched on the Hindu "Fakirs" who had powers of mind reading, which he said are part of their tricks and magic. "I have seen many things that I cannot begin to explain, all of which merely emphasize the gulf between the east and the west," he said.

**Citizen's Home**  
Mrs. George Topham, president, expressed thanks for the interesting address.

She later gave a report on a meeting held by the heads of different organizations to discuss the financing and organizing of a senior citizens' home. Mrs. Topham was appointed as a representative of the P.T.A. on the committee.

The annual meeting will take place in June and it was decided to send letters to all mothers who have children starting school in the fall, inviting them to attend the meeting.

K. Dorn, who asked if plans could be made to have a boys' camp for younger boys, was requested to contact Rev. H. S. McDonald and to report back at the next meeting.

Mrs. Topham spoke about a baby clinic and kindergarten in the fall. Tea was served by the hostesses, Mrs. P. C. Gerrie and Mrs. F. E. Wright.

**EAST KELOWNA PUPILS HOLD SALE OF WORK**  
EAST KELOWNA—The East Kelowna school children held a sale and tea at the school on Wednesday afternoon. Excellent needlework by the girls was on the stalls and the youngsters were delighted with the sale, the proceeds of which will buy them a loud speaker for the new school room.

Members of the East Kelowna School took part in the sports at the Kelowna Park on Friday and the result was very gratifying. East Kelowna came fourth out of 14 schools in the final results. A number of the children were taken down by bus and the others traveled in cars driven by interested parents.

The Women's Institute held its monthly meeting on Tuesday following which the members went to CKOV and were shown over the building, receiving an interesting talk on the working of the station.

F. J. Foot has gone to Vancouver to meet his sister and sister-in-law, who are expected to arrive in Vancouver Thursday morning from London, where they left by plane Tuesday night. Miss Foot and Mrs. W. Hall expect to make a long visit in East Kelowna, the home of Mr. and Mrs. F. J. Foot.

J. M. Bailey, of Summerland, spent the week-end at the home of Mrs. B. Murrell.

The P.T.A. held its regular meeting on Wednesday and discussed the need for larger school grounds and made arrangements for the community picnic to be held at Summerland early in June. Business was followed by a quiz contest and refreshments were served by the ladies.

**SCHOOL TRAFFIC PATROL FORMED AT OK. MISSION**

OKANAGAN MISSION—A traffic patrol has been organized at the school recently. There has always been some dangerously fast driving on the highway and crossroad, and Ed. Coelen, who lives across the highway from the school, decided that prevention of a tragedy was in order. Accordingly, he approached the teachers, Mrs. McClymont and Mrs. de Coo, and together, they organized the students into a traffic patrol. A Provincial police constable gave a talk to the children on the subject and with the students directing traffic past the school now, the motorists are responding well to the new regime.

## RUTLAND FRUIT GROWERS GET WATER AGAIN

First Pump Installed as Water Advances Down Irrigation System

RUTLAND — Water began to flow in the old Rutland estate ditch last Thursday afternoon, when the first pump ordered by the B.M. I.D. was installed and put into operation. The pump is throwing approximately six second feet of water into the ditch from Mission Creek, about half the amount carried through the old siphon. Another pump is on order, and is expected to arrive shortly.

Owing to the dry weather, the flames and ditch were absorbing a large part of the water as it advanced down the system, and it will be a few days before it is possible to deliver water on schedule to the growers. The situation has highlighted the need for a connection with the new main canal on the upper there, and more could be turned in from Mission Creek if the distributing system could handle it.

Sixteen members of the First Rutland Troop attended the three-day International Camporee, held near Okanagan, Wash., last Friday. The boys were transported by truck which was supplied by McLean & Fitzpatrick Ltd., and driven by Fred Paulson. Troop Leader Hugh Fitzpatrick was in charge of the Rutland contingent, which consisted of three Patrols, the Beavers, Eagles and Foxes.

Rutland Red Caps broke into the win column in the Twilight League last Thursday when they won the Kelowna Klippers 7 to 5 in a good contest that came close to being a tie. Kroger chucked most of the game for the winners, Mills Koga going in to get the final out, by a strikeout, to clinch the victory.

Pupils of Wesbank High School held a picnic on Friday at the B.M. I.D. intake, and inspected the irrigation works, including the tunnels and main concrete canal.

Eleven members of the Rutland Women's Institute, including the official delegate, Mrs. F. Oslund, journeyed to Kereenos on Thursday for the annual Institute convention. The ladies made the journey by a special bus, chartered by the Rutland, TRY COURIER CLASSIFIED ADS

East Kelowna and Kelowna Institutes. The ladies spent a profitable and enjoyable day at the Similkameen town, and it was arranged that next year's gathering will be held at Rutland. Interesting addresses on immigration, by Mrs. C. J. Keene, and "Citizenship" by Mrs. J. B. Clarke, were the highlights of the Kereenos rally.

John Alexander left on Saturday for Vancouver, where he will take a "barber course," under the Vocational Training plan. The course will last for six months.

Frank (Mickey) Duncan and M. Sakimoto left by train last week for Hamilton, where they will pick up a new automobile from the factory and drive back home with it.

Members of the High School Dramatic Club, under the direction of Mrs. Malsonville, presented a three-act play entitled "For Pete's Sake" to highly appreciative audiences at the Rutland Community Hall, on Thursday afternoon and evening. The matinee performance was jammed to capacity, but attendance at the evening show was not as good as had been hoped for. Proceeds of the performance will go to the school athletic equipment fund. Following are the names of the players and their roles:

"Malvina Potts," an intellectual reporter, Eleanor Fugger; "Peter Pepperdine," a college student with "expectations," Tony Brummett; "Mrs. Pepperdine," Peter's wealthy aunt, Margaret Mitchell; "Bill Bradyshaw," Peter's friend, Hugh Fitzpatrick; "Mrs. Clarkson," a social climber, Marion Myers; "Nadine" and "Peggy," her two daughters, Fay Grummett; "Jasmine," colored maid, Doreen Potchecay; "John Boliver," wealthy admirer of Nadine, Ernest Gill; "Muggie Mugglethorp," a latin genius, Billy Hush; "Dean Murgelthorpe," Muggie's uncle, Andy Cook; "Dunlop Darby," an admirer of Peggy, Angus MacLaren.

During the intermissions Helen Heitzman sang a solo, Eva Toerck gave a piano solo, and Patsy Shunter recited a monologue in which a number of the local "shakes" were given a humorous ribbing. The Dramatic Club is presenting the play at Oyama next Friday.

**POLICE COURT**  
Parking his motor vehicle within 25 feet of a stop sign brought a fine of \$2.50 and costs to Anton Schaumleffel, in city police court, May 19.

For riding his bike at night without a light, Wm. Waeken, of Glenmore, was fined \$2.50 and costs in city police court, May 5.

Appearing in city police court May 5 on a charge of exceeding the one-hour parking limit, Elsie F. Lacombe was fined \$2.50 and costs.

## RUTLAND RANCH LEASES SIRES

F. C. Brown Obtains Two Impressive Sires from Summerland Experimental Station

F. C. Brown, owner of Claremont Ranch, of Rutland area, has leased two impressive sires from the Summerland Experimental Station for his renowned Jersey herd.

In leasing Summerland New Year Star No. 110760, born January 1, 1945, was sired by Summerland Twinkling Standard and out of Summerland Lady Estelle, a great granddaughter of Calgarth Starlight, former world's champion for lifetime production of butterfat.

Estelle has six silver, six gold and one medal of merit medals. At four years eight days she produced 12,600 pounds of milk and 755 pounds of fat in 305 days for a silver medal, old medal, and medal of merit. Her dam, Summerland Standard Stella, had four silver medals, and Stella's dam is Summerland Hamlet Starlight, still in the herd at Summerland at 17 years of age. Starlight's lifetime production is now 6,125 pounds of fat plus her present lactation.

Summerland Golden Standard 3rd was sired by Babbarcombe Standard-bearer who was used as Junior herd sire in Arthur Ayler's herd at Sidney. The dam is Summerland Sparkling Lady, a granddaughter of Calgarth Starlight, being out of Summerland Favorite Sparkle and Sparkle, sired by Brampton Island Standard. At two years, 11 days, Sparkling Lady produced 6,430 pounds of milk and 404 pounds of fat.

## ORCHARD LAND WENT BEGGING -39 YEARS AGO

Here is one that will bring a smile to the lips of the oldtimers, and a frown of incredulity to the not-so-oldtimers.

Back in the "good old days," — 39 years ago to be exact — real estate dealers in Vancouver used to provide free excursions to Kelowna from Vancouver, and return, as an incentive toward purchase of property.

In a Saturday issue of The Vancouver World, dated June 13, 1908, there appeared a large advertisement under a three-column picture of a Kelowna orchard scene. "The free excursion is on Tuesday next," the ad points out. "It will be big because the people are convinced and know we have the land and that it is good and more than worth the money."

In Kelowna they'll be picking cherries when we land. If you fail to see these orchards of the Okanagan at this season of the year, you are missing something."

The page taken from the old Vancouver World, how the Vancouver Sun, was sent last week by a friend to Mrs. G. W. Edwards, 346 Lawrence Ave.

## GLENMORE

GLENMORE — Mr. and Mrs. George Humo had as their guest over the week-end, Mr. and Mrs. J. A. Noyes, of Naramata, and Mrs. Noyes, Sr. Mr. and Mrs. John Noyes, of Penticton, and Miss Mil Douglas, of Montreal. Miss Douglas is returning home after travelling through South America.

## Doings in the Field of Sports

### Thirty-three Month Old Twins Will Be Feature Of Golden Gloves Meet

The Frederick twins, of Trill, only 33 months old, will be one of the many highlights at the second annual Interior Golden Gloves Tournament to be held at Vernon's Civic Arena, May 29.

Each 60 pounds of dynamite, the two boys have a trained boxing act which has been well received wherever they have appeared. The young scrappers will fly to Vernon with their well-known trainer, Gerry Pittao.

To date 70 entries have been received with nearly every major centre in the Interior represented. Bouts will range from flyweight to heavyweight. Several special events, comic and wrestling features, are also included. Eliminations and preliminaries are expected to be run off in the afternoon from 2:30 to 4:30, with the finals taking up most of the evening session from 8 to 10:30.

Kelowna and Westbank boxers, who walked away with the majority of honors last year, are going through rigorous training sessions at the old Glenmore School under the watchful eyes of Pro-Rec instructors Bill Wilcox and Augie Ciancone.

**More Local Entries**  
Two more teen-age boys have also decided to enter the big show—Don Booth, 135 pounds, and Peter Jones-Evans, 126 pounds. Another late entry was George Costa, of Glenora.

Among the East Kelowna entrants are Nick and Alex Markin, 90 and 126 pounds, respectively, and Jim Green, 126. Boxers are expected from Keremeos, Oliver, Summerland and the Kootenays.

Vernon, with only one entrant last year, is likely to throw in an even dozen or more, according to Ciancone. Fighters from Kamloops, Salmon Arm and other northern points are also expected to enter.

Through the co-operation of the army, several huts have been made available for housing the many entrants. Meals will be served through the facilities set up for the exposition.

**Only One Defender**  
Feature trophy of the day will be the Golden Boy Cup for the best all-around performance. Three boys tied for it last year, George Wilderman, of Kelowna, Clarence Girbow, of Keremeos, and Clarence Walker, of Westbank. Girbow will be the only one of the three to be on hand to defend his title.

Another cup being offered is one for the most scientific fighter. The cup has been put up by Bill Wilcox and Augie Ciancone. Awards will be given for the best display of sportsmanship and for the individual weight classes. The winners will receive robes from the Vernon Kinsmen.

The Interior's biggest boxing show is backed by Pro-Rec and the Vernon Kinsmen and, this year, is part of the many special attractions being put on in conjunction with the Vernon-Okanagan Industrial Exposition, May 28-31, inclusive.

For Additional Sport  
See Page 5

### MOTORCYCLE RIDE CAUSES KEEN INTEREST

Riders Give Exhibition of Skill During Their Two-Day Gypsy Tour

Riders from many parts of the Valley took part in the Kelowna Motorcycle Club's first post-war Gypsy Tour at Falkland May 10 and 11. During the two days, and at the dance Saturday night, old acquaintances were renewed and new ones formed, due mostly to the increase in popularity in the motor-cycling sport.

C. H. Schick, of Princeton, travelled 400 miles round trip on his new H.D. 74, O.V.H., which he sported in great fashion. There were ten entries from the Kamloops club, headed by its president, Ken Mobley.

The events held Sunday afternoon began at 1:30 with the potato race. Each rider had to take a potato, one at a time, from one end of the field to the other and deposit it within a three-foot circle. He could not leave his bike during this procedure.

The slow race caused many laughs due to the expressions on the riders' faces as they tried to cross the finish line last. The following event, the egg and spoon race, brought out the knee action rhythm of both bike and rider. With a spoon in his mouth and a raw egg in the spoon, he was to proceed down the field to a stake, turn around and return to the start without dropping the egg or assisting with his hands.

Laughs turned into rousing yells during the miniature T.T., which had the riders doing sharp right and left turns over a figure-eight course. In the Australian pursuit race, riders had to travel around a 20-foot circle and, if passed by the rider behind, he was automatically ruled out.

As the riders fell out, the circle was made smaller, forcing the riders to really lay their bikes down. The Digout, a 60-yard straight-away race, proved which bikes had the greatest lift on turf conditions. Five seconds was all the winners needed to reach the line.

**Ping Pong Race**  
The most difficult to fully complete was the Chinese ping pong race, in which each rider carried three spuds and rode from start to end of the field and on return threw one potato into a barrel five feet distant from the course. He did this three times without being allowed to stop his bike near the barrel.

The most difficult to fully complete was the Chinese ping pong race, in which each rider carried three spuds and rode from start to end of the field and on return threw one potato into a barrel five feet distant from the course. He did this three times without being allowed to stop his bike near the barrel.

On the return trip, the Kelowna Motorcycle Club stopped over in Vernon for supper.

### RUTLAND NINE BEAT OSOYOOS 16-10 COUNT

Ease Out of Tie for Cellular Features Game

RUTLAND—Rutland broke into the win column, and eased out of a tie for the cellular position last Sunday afternoon when they defeated Osoyoos on its sand-lot diamond by a score of 16-10. The game was featured by a lot of hitting, and many errors on both sides, most of them due to the soft sandy nature of the field, which made the fielding slow, and took all the bounce out of the ball.

Rutland sluggers went to work on the first Osoyoos pitcher, E. Tillotson, and piled up a 10-1 lead, but in the fourth and fifth innings, scratch hits, and errors by infielders let Osoyoos bring up the score to 11-10. At 11 p.m. Hank Wostrowski took over from Joe Holitzki, and after one shaky inning settled down to hold the Osoyoos batters scoreless for the final three innings. Rutland batters gathered 20 hits in the long, drawn out, three hour contest. John Holitzki leading the barrage with five hits in six trips to the plate, two of them triples.

Lutz, of Osoyoos, with three out of four, one a double, was the best for the losers. Osoyoos used three pitchers during the game, Prososky relieving E. Tillotson in the third, Lee 30, G. Wyman 29, D. McMullan 28, G. McKenzie 27, G. C. Rose 27. The 500-yard range is expected to be in use next Sunday and a large attendance is looked for.

### CITY SCHOOL PUPILS WIN TRACK MEET

Kelowna Elementary School Children Take Unofficial High Aggregate

Kelowna Elementary School, with a population that dwarfs all other elementary schools in the district, didn't surprise anyone when it had an easy time in winning the first annual Elementary Schools' track meet of Kelowna Schools District 23, at City Park on Friday. Officials of the meet reported it was largely an experiment. This was the first year Kelowna had entered the affair, and no allowance was made for its preponderance. Kelowna has well over 900 pupils, while other schools with less than 30 pupils were participating on the same basis.

Under these conditions no official school aggregates were kept and no cups were awarded. Use of a handicap system for next year is believed to be under consideration. Oyama pulled off the surprise of the day, capturing unofficial second place, finishing a fair margin ahead of Rutland. Oyama has only three rooms and about 90 children. Rutland, the second largest school in the district, finished third.

**Unofficial Returns:**  
On the basis of unofficially tabulated returns, here are the results for the different schools, showing the number of first, seconds and thirds won:

	1	2	3
Kelowna	12	3	4
Oyama	7	1	3
Rutland	7	4	3
East Kelowna	2	3	2
Mission Creek	1	4	1
Peachland	1	2	3
Winfield	1	2	3
Bennoville	0	2	4
Westbank	1	1	2
Okanagan Centre	1	0	1
Okanagan Mission	0	0	2
Ellison	0	1	0
South Kelowna	0	1	0

### TWO VERNON GOLFERS WIN SPALDING CUP

Harold Johnston and Sam McGladery Twosome Lead Orchard City Teams

Two Vernon golfers, Art Lefroy and Jim Douglas, won the Spalding Cup, 36-hole, best ball twosome, at Salmon Arm, Sunday, with a score of 134.

Harold Johnston and Sam McGladery, one of the Kelowna teams entered in the tourney, scored 138 to lead the Orchard City teams. Other teams from here were: Dr. Cee Newby and Fred Williams, Ches Owen and Harold Brynjolfson. Kelowna golfers didn't come home exactly golfer-handed. Johnston, last year's club champion, and in the running for this year's title, won the prize for the best 36 holes, his 76 and 74 combining to give him 150. Best 18 holes was taken by another Vernonite, Clem Watson, who posted a neat 70.

Plans are now being made by the Kelowna Golf Club for its big Kelowna Day festivities, set this year for Sunday, June 1.

### GOOD SCORES ARE RECORDED BY RIFLE CLUB

In spite of the light rain at the Glenora range Sunday morning, some good scores were turned in by the B.C. Dragon's Rifle Club.

Scores on the 200-yard range were as follows (possible 35): H. McCall 31, A. Rankin 30, J. Johnson 30, S. Lee 30, G. Wyman 29, D. McMullan 28, G. McKenzie 27, G. C. Rose 27. The 500-yard range is expected to be in use next Sunday and a large attendance is looked for.

**CUBS TASTE FIRST DEFEAT**  
Kelowna Cubs, Japanese team in the Okanagan-Similkameen League suffered their first league loss

## CITY BOWLING TEAMS BEATEN BY VERNONITES

Three teams of Vernon five-pins got some measure of revenge Monday night when they played hosts in a return five-game total-pin match to three Kelowna squads.

On the total score basis, Vernon won by 54 pins, though Kelowna teams took two of the three team matches. Margin of victory for the Vernonites was provided in the match between Scott Plumbing and Vernon No. 2, when the latter whip-

## FISHING IN VALLEY LAKES AND STREAMS

With every lake in the district now open to fishing—most of them were opened on May 1, but some others were closed until yesterday—catches are reported to be from fair to good.

## F. KITSCH TOPS LOCAL RED SOX BATTING PARADE

With three games on ice, the Red Sox batting parade so far is looking almost like a one-man show.

would try to increase both its junior and senior membership. Young men interested in a good, clean and healthy sport and over the age of 15 years are requested to contact Bill Treadgold, at Treadgold's Sporting Goods, Bob Parfitt, at the Capital Tobacco Store, or any member of KRC.

Freddie Kitsch, who started out poor last year but came back strong, in the last two games to wind up with a .258 average, is leading just about every department, according to official statistics.

With seven games out of 15 times up he is sporting a healthy .467, has seven hits puts him on top in that department; he has scored the most runs—five; his two three-baggers are tops for that branch of attack; and he is tied for two-base hits with three other Sox players, all with one apiece.

place with .462, just a bare fraction behind Kitsch.

The Sox have scored 24 runs in their three games, getting on base safely 35 times. Batting average for the team is a sparkling .222. Following are the official statistics for the local Soxers:

TOTALS 120 24 35 292

## RELEASE BOXLA LOOP SCHEDULE

Sixteen games—eight of them at home—for each of the five teams in the loop are provided in the 1947 schedule of the Interior Lacrosse Association. The circuit starts next Tuesday, May 24, with Vernon coming here and Armstrong going to Kamloops.

The fifth team, Salmon Arm, will make its debut at Armstrong next Tuesday. Last home game for Kelowna is on July 29, though Kelowna plays two away after that.

Here is the complete schedule for the intermediate boxla league.

- May  
24—Vernon at Kelowna, Armstrong at Kamloops.  
27—Salmon Arm at Armstrong.  
June  
3—Kamloops at Vernon.  
6—Salmon Arm at Kamloops, Kelowna at Armstrong.  
10—Armstrong at Kelowna, Vernon at Kamloops.  
13—Salmon Arm at Kelowna, Vernon at Kamloops.  
17—Kamloops at Armstrong, Kelowna at Salmon Arm.  
19—Armstrong at Vernon.  
20—Kamloops at Kelowna.  
24—Vernon at Armstrong.  
26—Salmon Arm at Vernon.  
27—Armstrong at Salmon Arm.  
28—Kelowna at Kamloops.  
July  
1—Kelowna at Armstrong, Salmon Arm at Kamloops.  
4—Armstrong at Vernon, Kamloops at Salmon Arm.  
8—Vernon at Kelowna, Salmon Arm at Armstrong.  
11—Vernon at Kamloops, Armstrong at Kelowna.  
15—Kelowna at Salmon Arm, Kamloops at Vernon.  
18—Vernon at Armstrong.  
19—Kelowna at Kamloops.  
22—Kamloops at Kelowna, Armstrong at Salmon Arm.  
24—Salmon Arm at Vernon.  
25—Kamloops at Armstrong.  
28—Armstrong at Kamloops, Salmon Arm at Kelowna.  
31—Kelowna at Vernon.  
August  
1—Vernon at Salmon Arm.  
5—Kamloops at Salmon Arm, Kelowna at Vernon.

## TWO RUTLAND BALL SQUADS ARE DEFEATED

RUTLAND—Rutland's two entries in the Twilight League went down to defeat in Tuesday's games. Rain delayed the start of both, and light conditions were poor throughout the evening.

At Rutland the visiting Winfield nine pounded out an 8 to 3 win over Paul Bach's Redcaps, who lacked the services of several regular players. Some of the youngsters who subbed in for them, made a credible showing in the field, though a bit weak with the stick. George Williamson was on the mound for Winfield, and had a lot of the locals biting at his wide curves.

At Oyama, the Blue Caps led most of the way in their game with the Oyama Greencaps, and entered the last half of the ninth leading 3-1. The last half proved disastrous, however, for errors, scratch hits and bad breaks, let the Oyama nine put three runs across to win their first game this season by 4 to 3. Comments of manager Andy Kitch are not available at the time of going to press.

Thursday evening Red Caps play at Oyama, and Woods Lake at Blue Caps, on the Rutland Park field.

## ON THE SPORT CARD THIS WEEK

Thursday  
Twilight ball at Kelowna, Oyama and Rutland.

Friday  
Softball—Junior and Midget boys, City Park, 6:30 p.m.

Saturday  
Gyro Sports Day—Track and field, children's sports, baseball, model plane flying, lacrosse. Opening Day at Kelowna Lawn Bowling Club.

Sunday  
International League baseball—Tonasket, Wash. vs Kelowna Red Sox.

## MANY ATTEND LOCAL ROWING CLUB MEETING

If a large attendance at a general meeting is a prediction of a good season this summer, then the Kelowna Rowing Club is due for its biggest year yet. The largest number of old and new members ever recorded attended the first general meeting at the Aquatic Lounge last Thursday.

A new executive was elected as follows: President, Keith Duggan; vice-president, Ray Bosstick; secretary, Robert Wall; treasurer, Bill Treadgold; directors, in addition to the above four named—Bob Parfitt, John Cryle and past president, Gordon Jennens.

A financial report was read by retiring secretary-treasurer, John West, and estimates to finish the barge and minor repairs on boats were given.

General meetings of the KRC will be held every first Thursday of the month during the rowing season, at the Aquatic Lounge, starting at 7 p.m. Meetings of the directors will be held every Thursday at 8 p.m. at the same place.

It was also agreed that the KRC

**INSURE YOUR CROPS • INCREASE YOUR INCOME**  
**TIME SAVING • LABOR SAVING • MONEY MAKING**

Two famous names combine to bring you the finest in irrigation equipment. **CALCO** Portable Irrigation Rainmaker equipment—leader in its field. **FAIRBANKS-MORSE** Pumping Equipment—leader in its field.

**ALUMINUM OR LIGHTWEIGHT GALVANIZED STEEL**

The heart of every portable system is the pipe coupling.

Note the EXCLUSIVE Rapid-Action Coupling that makes the CALCO RAINMAKER quick and easy to use. The Rapid-Action Coupling (Patented) of Rainmaker pipe is unequalled.

This coupling is an integral part of the pipe—there are no loose parts and nothing to lose.

They are absolutely water-tight up to and above 100 pounds per square inch, even when the pipe is deflected at the joints to conform to rough, uneven or hilly land. CALCO Rapid-Action Couplings are flexible. The only part of the CALCO Rapid-Action Coupling which ever needs replacing is one small inexpensive rubber gasket.

Remember... no matter what your irrigation problem... **FAIRBANKS MORSE** offers a complete engineering service to help you... write us or get in touch with your nearest authorized representative.

## More About B.C. FRUIT BOARD

From Page 1, Column 5

Twenty-five B.C.F.G.A. locals. If more than three men are nominated a mail ballot is taken among the registered fruit growers. If more than six should be nominated at the meeting, the delegates must ballot among themselves to reduce the number to six and those six be submitted by mail to the fruit growers. There has not been an election in some years.

**Routine Meeting**

Wednesday's Fruit Board meeting was a short, routine affair, bearing little resemblance to those of a few years ago, before the setting up of B.C. Tree Fruits. In former years, the board affairs took as many as three days to settle.

J. R. J. Stirling acted as chairman of the meeting and C. A. Hayden was elected as secretary. G. A. Barral explained the procedure for the benefit of the thirteen new delegates.

Following the election of the three members, Mr. Barral was elected as chairman and R. G. Rutland and Company was re-appointed as auditors. The salary of the board members was unchanged with the chairman receiving \$3,000 and the other two members \$500 and per diem expenses. These amounts were approved without discussion, although later in the B.C.F.G.A. meeting there was an attempt by some to have the chairman's salary increased. Mr. Stirling, however, ruled that the board meeting was finished and as it was a statutory meeting, the whole routine of calling a new meeting would have to be followed if the subject was to be re-opened. This would involve bringing the delegates back in two or three weeks time.

**B.C.F.G.A. Meeting**

Following the election of the B.C. F.G.A. executive and the recommendations for directors of Tree Fruits and Fruit Processors, Secretary Hayden outlined for the B.C.

## 1ST RUTLAND TROOP

Orders for the week ending May 31st: The troop will parade on the school field on Monday, May 26th, at 7 p.m. sharp, in full uniform.

Arrangements have been made for the Second Kelowna troop to pay a visit on Monday evening, when two softball games will be played between senior and junior teams representing the two troops.

Sixteen members of the Rutland Troop attended the Camporee at Okanagan, Washington, last weekend, and they report having a wonderful time. The boys did not arrive back until the early hours of Monday morning so the regular meeting for Monday night was cancelled to let the travellers get a good night's rest. Consequently, no detailed report on the camp will be available until after next meeting. TL Hugh Fitzpatrick reports that about 300 Scouts were in attendance, about 100 being Canadians. The fact that more Canadian than American Scouts attended was something of a surprise. The distance covered was very great, over two and a half hours driving being required after reaching the border at Osoyoos.

At least two local Scout and Club leaders are going to attend the training courses being held at the Kelowna Scout Hall this week and next. Cubmaster Hobbs and Instructor W. Walrod are planning to attend.

**THIRD CUSTOMER**

India, after the United States the United Kingdom, is Canada's third best customer.

F.G.A. directors the action which had been taken on various resolutions passed by the B.C.F.G.A. convention last January.

One interesting item was his report that the department of public works had expressed its willingness to co-operate to the extent of its ability in putting roads into shape so fruit could be hauled without damage.

Both Mr. Hayden and Mr. Stirling emphasized that this did not mean that any unusually hard piece over which cherries or soft fruits passed en route to packing houses, had a good chance of being fixed. Locals are being asked to give exact details of such stretches of roads, but they are also being warned that they must be specific and reasonable in their requests.

The official representatives of the twenty-five locals were:

Glenmore, I. J. Newman; East Kelowna, F. Thorneley, Jr.; Ellison, S. J. Teoreok; Okanagan Mission, R. D. Browne-Clyton; Winfield, A. S. Edwards; Kamloops, J. Graepner; Sorrento, Alfred Salter; Salmon Arm, J. G. Campbell; Armstrong, E. S. Dockstader; Vernon, J. K. Watson; Coquitlam, W. A. Middleton; Peachland, H. C. MacNeill; Naramata, E. Sammet; Kaleden, F. W. King; Summerland, C. E. Bentley; Keremeos, J. B. M. Clarke; Westbank, J. N. Basham; Osoyoos, W. Gray; Penticton, W. J. Parker; Osoyoos, Archie Ure; Oliver, R. O. Hall; Creston, Fred Powers; Nelson, G. Noel Brown; Grand Forks, A. S. Atwood; Rutland, H. C. Walrod.

The East Kelowna, Okanagan Mission, Winfield, Kamloops, Sorrento, Armstrong, Naramata, Westbank, Osoyoos, Penticton, Osoyoos and Grand Forks representatives are all new men.

One colorful figure among the group of new delegates was C. A. S. Atwood, of Grand Forks, over eighty years of age and prominent character. He lived for seven years in the Kelowna area, arriving here in 1892 and working for some time for B. Lequime.

**B.C. Fruit Processors**

Gordon DesBrisay, president of B.C. Fruit Processors, a grower-controlled company, reported to the B.C.F.G.A. directors that the company had handled 24,000 tons of rejects last year, almost one-tenth of the entire apple crop. The produce made from these apples was worth more than a million dollars.

In round figures, 370,000 cases of apple juice had been put up as well as 2,000 cases of apple lime, a new product; 65,000 gallons of vinegar, 140,000 pounds of apple chips, 125,000 pounds of pomace, and 1,200,200 pounds of dehydrated apples. Of the latter, there were about 35,000 pounds in stock.

Next year, a considerably larger pack of apple lime will be put up as it is felt this product has a definite future. A nectar line will be installed at the Oliver plant and it is believed this new product may do much towards solving the problem of over-ripe peaches.

The stock on hand at the end of the company's year will be taken into the financial statement at cost and this will reduce the returns to the grower somewhat this year. Next year this would be made up, of course. The price for apples used by the company would be in very rough figures about \$18 a ton. This would be paid for in cash and through share certificates. The latter would be redeemable.

The company this year sold its products as far east as Winnipeg, although in the latter market it found rail rates a definite factor in competition with eastern firms. A little export had been made to Hong Kong and South America, but not to Britain as she did not have the dollars to spend.

J. S. Hall, Creston, outlined to the directors the plan being taken to combat "little cherry" in the Kootenays.

The directors were told how growers could obtain buildings from the Vernon camp, if they were to be used for pickers' accommodation.

**Production Manager**

In the review of convention resolutions affecting B.C. Tree Fruits, L. G. Butler, a governor, subbing for A. K. Loyd, now in Europe, in commenting on the "production manager" resolution stated that this resolution is not as simple as it appears. "The difficulty," he said, "is implementing it without authority. The packing houses are independent units and as such naturally run their own affairs. The growers who make up the members of the many co-op houses can do much by inducing those houses to co-operate in the best packing and handling methods. In the final analysis the

**PLANNING FOR INCREASED PROFITS**  
Go-ahead farmers realize that increasing farm production often requires better planning—planning on how to make the most of each day, and how to reap the most from each acre. Sometimes these plans call for farm aids such as modern agricultural equipment, motors, pumps, milking machines; sometimes it means constructing, repairing or altering farm buildings; or improvement plans may call for a better drainage system, or new fences. Of course, purchasing equipment, making repairs and installing electrical equipment costs money; but the lack of ready cash need not be an obstacle to your improvement program. The Bank of Montreal has helped many farmers to produce more on their farms by investing more in their farms.

Mr. Douglas, manager of the local branch of the B. of M. tells us he is glad to discuss improvement plans with go-ahead farmers. "Our farm improvement planning plan has been designed to help progressive farmers," he commented. "This low-interest plan has enabled many a farmer to purchase modern appliances that have increased his farm profits."

## OYAMA WOMEN ARE THANKED FOR PARCEL

OYAMA—The regular meeting of the Kalamalka Women's Institute was held in the Hall on Thursday, May 15. President, Mrs. R. Allison was in the chair, and 18 members and one visitor were present. A letter was read from Miss Sigrid Salland, of Oslo, Norway, expressing her appreciation of a parcel sent last February. Another parcel of clothing is being made up for her.

The Institute is having a "hut" at the Vernon-Okanagan Industrial Exposition and any member wishing to exhibit handiwork is asked to leave them either at the home of Mrs. A. S. Towgood, or Mrs. V. E. Ellison, not later than May 23. The Institute voted \$13 toward the Trophy Fund which is to buy a cup or trophy for the track meet which was held in Kelowna on May 10.

Twenty dollars was voted toward the Memorial Fund, which is a scholarship fund for a girl to take the home economics course at U.B.C. Annual donations were voted to the Grace Hospital, Crippled Children's Hospital and the Solarium. Another child was adopted for three months through the Unitarian Service Committee.

After the adjournment of the meeting, tea was served by Mrs. B. Bunney, Miss Earl and Mrs. N. Allingham.

The baseball team, "The Eagles," were hosts at a dance given Friday evening, May 16, in the Community Hall. The Modernaires Orchestra was in attendance and a very good crowd of over 100 turned out. The refreshment committee consisted of Mrs. K. Wynne, Mrs. N. Allingham, and Mrs. W. Sprague.

In the musical festival, the Oyama School choir came out with 85 and 83 points for the two numbers, "In the Market Place" and "Billy Boy," which they sang. Although they were the only choir competing they made a good showing. The choir was a mixed group of boys and girls and the children ranged from 20 to 15 years.

The Oyama School came second in total number of points at the track meet held in Kelowna last week.

The city of Kelowna came first.

## MANY PEOPLE ATTEND W.I. ANNUAL RALLY

By E. L. H. PAXTON  
KEREMEOS—The annual rally of the South Okanagan District which extends from the boundary to Oyama, was held here on Thursday, May 15th.

Delegates were present from the seventeen Institutes which comprise the district, with the exception of two, and the registration book showed a total attendance of 100 members, delegates and visitors.

Mrs. P. W. Paxton, of Okanagan Centre, was presiding officer, with Mrs. R. Enderby, of Oyama, secretary-treasurer. Other officials present were the provincial superintendent, Mrs. S. E. Gummow, of Victoria, and Mrs. J. H. East, of Keremecos, a member of the provincial board of directors.

Members from Okanagan Falls and Oliver were present by transportation, but there were a number of carloads from various other points. From the northern end of the district some three score ladies were conveyed in two chartered busses. Arriving at ten o'clock at the Keremecos Community Hall, the visitors were greeted by Mrs. East, Mr. Pearson, manager of the Keremecos branch of the Bank of Commerce, and the ladies referred to the work of the Women's Institutes, and welcomed the members and friends. A suitable reply was made by Mrs. Charles Goldsmith, president of the Kelowna W.I.

Reports of the year's work were read from the 17 Institutes, viz., Kalamalka (Oyama), Okanagan Centre, Winfield and Winfield Jr., Peachland, Summerland, Penticton, Naramata, Oliver, Okanagan Falls, Osoyoos, Casterton and Keremecos.

**Appoint Committees**  
The committee appointed on resolutions included Mrs. A. Phillips, of Winfield, Mrs. Brown, of Kelowna, and Mrs. Simpson, of Osoyoos.

The courtesy committee was convened by Mrs. Brock, of Penticton, who was aided by Mrs. Walker, of Oyama, and Mrs. Munro, Peachland, while the nominating committee included Mrs. V. B. Robinson, Penticton, Mrs. Reece, of Westbank, and Mrs. Collas, of Summerland.

Mrs. J. H. East gave an interesting talk on the work of the provincial board relating some of the highlights of the last meeting in Victoria.

Mrs. C. J. McKeen, of Penticton, spoke on "Immigration," giving a comprehensive outline of legislation on this subject for the last four decades and something of the results in Canada's population.

Mrs. H. Gled, of Okanagan Centre, revealed some pertinent facts relative to the future admission into Canada of various displaced persons, particularly the Jews, suggesting that among them were to be found many people of culture, intelligence and ability who might add a great deal to Canada's growth.

As a natural follow-up to this discussion on immigration, Mrs. J. B. M. Clarke, of Keremecos, read an interesting paper on "Citizenship," declaring that the making of good citizens is one of the prime objects of Women's Institutes. "If we are to retain and improve our national status, we must consciously teach respect for law, not only to our children, but to the newcomers in our country," she said.

Mrs. C. Lintott, of Penticton, followed with a talk on one aspect of the two subjects, "Immigration" and "Citizenship," as combined in her work among the war brides, saying that on the whole they are making useful citizens. Only one or two of the three-score who had failed to measure up to her job.

**Worthwhile Projects**  
In her usual charming and inspiring manner, Mrs. Gummow spoke on "The Women's Institutes Past and Future". In praise of past efforts, she pointed out various worthwhile objectives which have been accomplished. Referring to the future, she mentioned among other projects, the W.I. Memorial Fund which has for its object, scholarships for rural girls for a domestic science course.

Lastly, she spoke of the Institutes as connected with that great organization of rural women of which they are a part, viz., the Associated Countrywomen of the World, which holds a conference in Amsterdam in September.

The tension of the long afternoon session was relieved by several vocal numbers rendered by Mrs. Morley, of Keremecos, who chose "My Task" and Joyce Kilmer's "Trees".

Another welcome break was tea served by the Cawston Institute, the Keremecos Institute having treated the visitors at noon to a delicious lunch.

On behalf of all present the courtesy committee extended thanks to Mr. Pearson, Mrs. Morley, Mrs. Paxton, the tea hostesses, the Keremecos Institute and all those who had contributed to the enjoyment of the day.

The resolutions, of which there were few, were dealt with, with unusual dispatch.

**Name Offices**  
Mrs. P. W. Paxton was re-elected president by acclamation, as was Mrs. R. Enderby, as secretary-treasurer.

Invitations for the 1948 rally were read from Osoyoos, Rutland and Summerland, the honor going by lot to Rutland.

## KLIPPERS LOSE TO WOODS LAKE

With a three-run spurge in the sixth inning, Woods Lake came from behind to take Tuesday's scheduled twilight game against Kelowna Klippers, 6-5.

Two vital errors in that fatal sixth allowed Woods Lake to score its three runs, leaving the visiting Klippers still strangers to the win column. Klippers will be out to crash into the winning ways to-night, when they take on the Oyama Green Caps at City Park at 6:30.

Kelowna 0 2 1 0 2 0 0—5  
Woods Lake 0 0 2 0 1 3 x—6  
O. Gerein, Moulton (3) and E. Gerein; Tugo and Mitsui.

## OK. CENTRE W.I. CHARTER SPECIAL BUS

OKANAGAN CENTRE—A special bus from Vernon was chartered by the Okanagan Centre Women's Institute for the South Okanagan District rally of the Women's Institutes on Thursday last at Keremecos. It was filled by women from Oyama, Winfield and the Centre with several from Vernon.

Included in the list of passengers from the Centre Institute were Mesdames R. Brixton, Caesar, B. Cooney, Crandall, H. Gled, Hare, Hunter, Harrop, Paxton, Leeve M. Uhrich and Van Ackeren.

Mrs. J. A. Gled is spending a fortnight in Oliver with Miss Ellen Gled, of the Oliver High School staff.

Mr. and Mrs. D. Goffie moved the end of last week into Mrs. Reece's house.

Mr. and Mrs. Robert Faircloth and infant daughter, the former a nephew of Mrs. H. Macfarlane, arrived in Vancouver by air on Tuesday last from England and were met in Vernon the following day by Mr. and Mrs. Macfarlane at whose home they are staying for awhile.

They will presently be domiciled at the "Robinson" ranch as they expect to make Canada their future home.

Mr. H. Brady, one of the early settlers of the Centre district and now of New Westminster, is spending a fortnight here and at Winfield renewing old acquaintances.

Mr. and Mrs. O'Hara and family, of Kelowna, moved the end of the week into their newly acquired orchard property the one-time "Canbria" property of D. Morris.

## WINFIELD

WINFIELD—Mrs. J. Maxwell, Vancouver, is spending a short holiday with Mr. and Mrs. George King.

Mr. and Mrs. F. C. Brown left last week for a holiday in eastern Canada.

Mrs. J. Wilson, who has been spending the past few months with Mr. and Mrs. C. E. Clement, left on Monday for Calgary.

Mr. and Mrs. Jimmy Shanks are visiting with relatives and friends in the district.

Mr. and Mrs. Ronald Gunn and Jack Gunn left on Friday of last week to spend a two weeks' vacation with Mr. and Mrs. Bill Gaffie, who are residing at Grants Pass, Oregon.

Mr. and Mrs. W. Middleton, Chilliwack, are spending the summer with the latter's brother, W. Lodge.

Mrs. W. McClure, Summerland, was here last week to attend the funeral of her father, George Colborn, who passed away on Monday in his 85th year.

Miss Betty Earl arrived home on Tuesday after spending the past couple of weeks on the Kelowna General Hospital.

Mrs. V. R. McDonald is a patient in the Kelowna General Hospital.

Mrs. Frank Webster, Hilton, Man., has been visiting for the past week at the home of her brother-in-law and sister, Mr. and Mrs. George Edmunds. On Sunday they motored to Penticton where they visited with other relatives.

Mrs. Smith, Vancouver, is holidaying with Mr. and Mrs. Bert Scarrow.

Bert Scarrow, Jr., is visiting with relatives in Manitoba.

Mr. and Mrs. Sam Tyndall and daughter, Kathleen, left on Thursday on a trip to Ireland.

The Arctic wolf weighs as much as 15 pounds; the Texas wolf as little as 30.

Agriculture absorbs more than 90 per cent of the world's total potato supply.

## PEACHLAND

PEACHLAND - Mr. and Mrs.  
John Bauer entertained the First  
Peachland Girl Guides' Company  
Tuesday evening of last week. In  
view of the fact it was a work meeting,  
hand-work was done by the  
Guides, and a sing-song was held.  
Bauer showed the Guides the beautiful  
garden they had and for which  
they had earned their gardeners  
badge. The hostess served lunch.

The W.A. of the United Church  
held their regular monthly meeting  
at the home of Mrs. George Topham,  
Wednesday, of last week.  
An evening of bridge was held at  
the home of Mrs. L. Trautman, Friday  
of last week, honoring Mrs. J.  
Bush and Mrs. A. Cleal, on their  
birthdays. Three tables were in  
play, and a dainty lunch was served  
by the hostess.

Charged in city police court May  
20 with consuming liquor in a public  
place, Frank Oliver was fined \$50  
and costs, or in default, 30 days in  
jail.

## Fight Against Tuberculosis Has Been Long, Steady Grind; X-ray Development Big Help

Somebody has said that the world  
moves forward on the feet of little  
children. It might have been added  
that children are usually taught  
to use their feet by their mothers.  
It is mother who sees that stumbling  
blocks are moved out of the path  
of the young adventurer. It is  
mother who encourages a second  
and fourth attempt if the first  
fails. There is something symbolic  
of women's part in history in this  
act of stimulating the first step and  
removing obstacles that might clutter  
the path for the unsure foot.  
Mankind through the ages has been  
faced with some huge barriers on  
the road to a better way of life, and  
women have always thrown their  
weight in with those who were  
clearing the way to progress. One  
or two minor mishaps do not discourage them. They keep on trying,  
sure that where there's a will  
there's a way.

Impeding the path of public  
health now is a stumbling block  
named tuberculosis. This disease  
causes the death each year of  
approximately 6,000 Canadians. Another  
11,000 are ill in sanatoria. Nor  
is this the end of the tragedy. The  
results of X-ray examinations of  
representative groups of healthy  
people indicate that there are  
thousands of unrecognized cases  
of tuberculosis in Canada now. Every  
day these cases go unmarked,  
reducing the chances of recovery  
of the person with the disease. Every  
day they go about the community  
unwittingly spreading germs they  
put others in danger.

**Death Rate Cut**  
The figures which have been quoted  
may make it appear that the  
task of stamping out tuberculosis is  
a well-nigh impossible one. This  
is not really so. The fact is that  
three-quarters of the job has been  
done already—and it was done with  
less efficient tools than are now at  
our disposal.  
In 1900 the death rate per 100,000  
of the population, from tuberculosis,  
was approximately 200. It is  
now about 50 per 100,000. This  
reduction in the death rate was  
brought about despite the fact that  
during the first few years of the  
century the medicine men were pretty  
much in the dark as to how to  
treat the disease.  
Advances in the treatment of tuberculosis  
have been so great in the  
past forty years that it is now possible  
to cure what odds anti-tubercu-  
losis crusaders were fighting at the  
opening of the century. They had  
no clear idea of how tuberculosis  
could be cured. They knew a lot  
of things that would not work.  
Medical history since the days of  
Hippocrates contained records of  
things that would not heal, pa-  
tient stricken with "wasting  
sickness," Chants, beating of drums,  
wearing of amulets, carrying holy  
relics and receiving the royal touch  
had been tried with no success. Di-  
tillitis, crocodile, mare's milk, ass's  
milk, goat's milk and human milk  
were tried. So were iron, potas-  
sium, chloride of sodium, iodine,  
hydrocyanic acid, gold, and liver  
oil and literally thousands of other  
substances. Medical books told how  
century after century men had tried  
brews of the herbs that grew in every  
climate, all to no avail. The oil  
of the olive, vegetable and mineral king-  
dom had been weighed in the bal-  
ance and found wanting as far as  
the treatment of tuberculosis was  
concerned.

**Not Discouraged**  
Yet these men were not discour-  
aged. Two doctors in Germany had  
tried putting patients with "con-  
sumption" to bed and keeping them  
there, and an American physician,  
Dr. Edward Trudeau, had contracted  
the disease and had gone to the  
Adirondacks to die quietly in the  
surroundings he loved—and instead  
got better. Hope stirred the medi-  
cal profession again and they turned  
their attention to getting proper  
sanatoria. It was no easy task with  
the public unconvinced.  
The women rallied gallantly to  
rouse public opinion so that suffi-  
cient sanatoria would be built. Most  
of the sanatoria of that period were  
paid for by public subscription.  
Sometimes the Imperial Order  
Daughters of the Empire supplied  
money for the building of one sanatorium  
and for the children's pavilion  
at several others. In Prince  
Edward Island the Women's Insti-  
tutes initiated the demand for a  
sanatorium and gave leadership to  
the movement until it was built.  
Nor did they stop when the sanatorium  
was completed. Their interest  
has not slackened and their  
support has been a prominent factor  
when the program for preventive  
work has been expanded.  
Even when the sanatoria were oper-  
ating, however, the women prob-  
lem was not solved. The sanatoria,  
even in those experimental days,  
proved by far the most successful  
method of treatment yet found, but  
it was expensive. Even people of  
moderate means could not afford a  
long stay in the sanatorium and of-  
ten left before they should because  
they felt they were draining the  
family resources.

**Free Treatment**  
So the women took up a new  
cause—free treatment. They pressed  
this cause to governments municipal  
and provincial. They were not  
working alone, of course, for the  
forward-looking people of the com-  
munity were with them. What they  
did was to create public opinion.  
They took petitions around to be  
signed and then presented them to  
governing bodies of one sort and  
another. They addressed meetings,  
pointing out humane as well as the  
common sense arguments for free  
treatment. They pleaded the right  
of the poor to a chance to have san-  
atorium care, and the wisdom, from  
the standpoint of the community,  
of having persons with an infectious  
disease in a place where they would  
not be spreading it among their fam-  
ilies and friends.

**Battle Won**  
In most parts of Canada that  
battle has been won. There are still  
still areas where there is not free  
treatment or everyone, but no-  
where in Canada is a person denied  
treatment because he cannot pay for  
it. A medical health officer has  
authority to rule that if a patient  
has a positive sputum he must be  
admitted to the sanatorium and the  
municipality must pay for it. This,

of course, is subject to the provision  
that there is an available sanatorium  
bed. Where there are waiting  
lists the women of the community  
still need to crusade, for more san-  
atorium accommodation.

Within the last ten years the full  
importance of X-ray, not merely to  
fight but to eradicate tuberculosis,  
has been recognized. For many  
years doctors have used the X-ray  
as an aid to diagnosis, and have em-  
ployed it to discover whether con-  
tacts of known cases had contracted  
the disease, but it was still so  
expensive, until recently, that its  
use was fairly limited.

Now a new development in X-  
ray, the miniature film, makes it  
possible to X-ray thousands at moderate  
cost. It will be possible with-  
in the next few years to give chest  
examinations to the whole popula-  
tion so that there may be found so  
early that they have been entirely  
unsuspected, found before those  
around them are infected, and while  
the patient still has better than  
chances of cure. Science has given us the tools if  
public opinion is ready to finish the  
job.

Women are asked now to cam-  
paign for the eradication of tuber-  
culosis as they did in years gone by  
to make treatment available. Al-  
ready they have done yeoman ser-  
vice in the preventive field, for  
hundreds of them work on the  
Christmas Seal committee, which  
supply funds for preventive pro-  
jects and thousands more back up  
the committees in their districts  
by yearly buying seals.

## CITY JAPANESE IS ORDAINED AT VANCOUVER

Marking the first time in 25 years  
that only one United Church gradu-  
ate has been ordained at the an-  
nual B.C. conference, a 24-year-old  
Canadian Japanese, Edward Shun-  
pei Yoshioka, was ordained in Van-  
couver last Friday.

"I want to remember this occa-  
sion and this congregation, because  
I feel my whole life has been moved  
toward this day," he said. Mr. Yoshioka,  
who was granted a special R.C.M.P. permit to attend the "lay-  
ing on of hands" ceremony, was ac-  
companied by his father, Rev. Y.  
Yoshioka, of Kelowna, who also was  
granted a permit to travel to Van-  
couver.

E. J. Waite, of Allenby, and J.  
Dawson, of Kelowna, were each  
ordained at the same time in the  
court May 19, for speeding through  
the Westbank school zone.

## MOVIE QUICKIES

One of the reasons Fred MacMur-  
ray is starring in 20th Century-  
Fox's Technicolor hit, "Smoky," due  
at the Empress Theatre this Thurs-  
day, Friday and Saturday, is that  
he stands six feet three in height.  
When Director Louis King set  
about casting the classic Will  
James' story, he insisted that his  
cowpunchers be at least six feet  
tall. "You need tall men in the  
saddle for these outdoor films,"  
King explained.

MacMurray easily filled the bill,  
but featured players Bruce Cabot,  
Roy Roberts, J. Farrell MacDonald  
and famous ballad singer, Burl  
Ives, just got under the wire—they  
are exactly six feet.

Anne Baxter has the feminine  
lead in "Smoky," which was pro-  
duced by Robert Basler.

Because of its sensational recep-  
tion, "A Song to Remember" will  
come back to the Empress Theatre,  
for two days, Monday and Tuesday  
next week.

The love story of the great com-  
poser of romantic melodies, Freder-  
ic Chopin, and the great novelist,  
Emile Zola, and heart-breaker, Ma-  
dame George Sand, is one of the  
most tempestuous and emotional in  
history. As long as lovers love and  
as long as dreamers dream, their  
story will be remembered, as will  
the musical compositions Chopin  
created during the course of his  
fiery experience.

It is this story, together with the  
bitter struggle between Sand and  
Chopin's music master for suprem-  
acy over the will and genius of this  
great composer, that forms the ba-  
sis of Columbia's Technicolor pro-  
duction, "A Song to Remember,"  
starring Paul Muni as Elmer, the  
music master, Merle Oberon as  
Sand, and featuring Cornel Wilde  
as Chopin.

## OK. MISSION GUIDE BRANCH IS ORGANIZED

OKANAGAN MISSION - Mrs.  
H. W. Arbuckle, of Kelowna, Dis-  
trict Commissioner of Girl Guides,  
came to the Mission last Wednesday  
to attend a meeting in the Scout  
Hall. The officers were disappointed  
in the attendance, but they were  
able to accomplish some of their  
objectives.

Mrs. Arbuckle appointed Mrs.  
Earl Wilson as badge secretary. Mrs.  
Wilson will find examiners for pro-  
ficiency badges and first class tests.  
Mrs. Arbuckle asked Mrs. R. W.  
Butler to act as vice-chairman of  
the proposed Okanagan Mission  
Guide Association. Mrs. Butler will  
contact those who are interested to  
assist the officers in the association,  
and to encourage their efforts on  
behalf of the Girl Guides.

my Husband asked my choice

...and I said **CHEVROLET**

"Why was Chevrolet my choice? Because, like  
most women, when I shop my one idea is to get  
the most value for my money—and Chevrolet is the  
car that gives you just that. As far as beauty, comfort,  
and all-round quality are concerned, Chevrolet is way  
up there with the big cars. Yet when it comes to  
price—well, the price is so much lower it's  
hardly believable. And another thing I like—the  
upkeep cost won't strain our family budget!  
Yes, my choice was Chevrolet, and my husband  
says I couldn't have chosen better.

## Return to Civvy Street

## Eager Customers Buy Pastry Goods That Have Been Missing For Years

When H. G. M. Gardner, secretary of the Kelowna and District War Veterans Rehabilitation Committee, visited Hanky's Confectionery at the corner of Pender and the K.L. O. Road on Tuesday afternoon, it was an occasion for rejoicing for him, as well as for John Hanky, the proprietor. But John was asleep, having worked 36 hours without a break, baking the delectable pies, buns, bread, and 25 different kinds of confectionery that eager customers had been buying all day.

"We shall be sold out by six," said Mrs. Hanky, while serving a steady stream of customers, who were revelling in the sight of butter tarts, cream-filled puff pastry, mille-feuilles and croissants, things they had not seen for years.

"A customer asked me for brioche today, and it's the first time I have heard the word since I left Montreal in 1939," said Mrs. Hanky.

John Hanky, who was born in Switzerland, had his apprenticeship at Bienne, in the Canton of

Berne, where for three years he learned the art of pastry-making and baking, passing the government examinations with first class honors. He then worked in pastry shops in Berne and Paris, and at 25, came to Canada, living for about ten years in Montreal, then Toronto, and later in various parts of Canada, always practicing the same profession. After serving with the Canadian forces, Mr. Hanky decided to settle in the Okanagan.

"I saw possibilities here, and, later on, when conditions return to normal, I should like to go into chocolate, specializing in 'praline' and using Okanagan walnuts," said Mr. Hanky, whose English is as perfect as his native French. "For the time, I am concentrating on pastries and home-made bread."

Hanky is marking time, waiting for certain materials and ingredients and finding out what his customers are going to want.

## LETTERS TO THE EDITOR

REV. COXSON ISSUES STATEMENT

Winfield, B.C., May 5, 1947.  
Editor, Kelowna Courier:  
Please accept my compliments on your straight forward remarks regarding my action in protest against the desecration of the Sabbath Day.

I also wish to pay tribute to the Kelowna Police force on their speedy action to defend the laws of our land.

With regards to my action, I have no apologies to make. I have been called of God to preach the gospel and to cry aloud against the sins of the day and I feel like saying with Peter, "We ought to obey God rather than man."

It was not my plan to wait until the eleventh hour which would naturally incur a great deal of added expense. It was at that hour that I became aware of the attack on God's Holy Day.

In view of the fact that other concerns have been held as mentioned, you can rest assured that it was not known to the writer. It would appear that is laxity on the part of the ministers today who would allow a thing of that nature to go unchallenged.

In answer to Mr. Yochim's statement, "what he had to say would not look good in print," Mr. Yochim, I admire your ability in carrying in an efficient business such as you have. It is certainly an asset to the city and surrounding district, but regarding your advice in dealing with the spiritual side of

humanity you certainly need a great deal of improvement. If you would lead a group of teen age people up the path of good citizenship they must be taught to respect the blood bought laws of our land. Unless this country wants its young to revert to the state of educated heathenism they must respect the laws of God.

I am not surprised that some would be shocked, as the prominent Winfield resident mentioned. Paul writing to the Corinthian church states the preaching of the cross is to them that perish, foolishness, but I am surprised that anyone would withhold their name. It certainly does not flatter the group they wish to uphold.

To the Teen Town of Kelowna, I wish to make it clear that it is not your group I have anything against. It is the love of law, liberty, and the word of God.

J. H. COXSON.

## WOULD OPERATE BATH HOUSE

Kelowna, B.C., 5 May, 1947.

Editor, Kelowna Courier:  
I asked the City for permission to operate a public bath house on Abbott Street, opposite the park, but they turned me down because they want this part for an apartment. I think the city is working to make this an ideal town but sometimes they miss seeing what the public is looking for. The population of the city is more than double that of two years ago and the city must keep up to modern needs. Many male visitors to park, ball-players and working men from logging camps need baths but can not get into hotels. It is only decent that they need them and I agree to keep the place clean for inspection. My place is the best location in the city, right opposite the park. If later an apartment house wants the property, that is all right, but meantime why hold up a bath house. I do not ask to make a new building, but just to put in showers.

I have lived here many years and am a peaceful citizen and believe I do what is right. I ask for public opinion, please.

Yours truly,

H. HROSEUVA.

## WINS AWARD IN JOURNALISM

Friends of Mr. and Mrs. Stanley Remnant of Angus Drive, Vancouver, will be glad to hear that their elder son, Peter, has won the News-Herald Award in Journalism (senior), in the largest graduating class in the 32-year history of U.B.C. Peter, who attended the Mackie School in Vernon, was in the army, and returned to U.B.C. after his discharge. Mr. and Mrs. Remnant have been visitors to Kelowna during the August tour of a Vancouver cricket team, and have entertained members of the Kelowna team in Vancouver.

## A HOLY CITY

Kairouan in Tunisia, is the holiest city of Moslem Africa.

## OK. MISSION IRRIGATION GROUP MEETS

Henry Hobson Elected New Trustee at Annual Meeting of District

OKANAGAN MISSION—The annual meeting of the Okanagan Mission Irrigation District was held Thursday, May 15, in the school.

Dr. J. C. Wilcox, of the Dominion Experimental Station, Summerland, discussed the sprinkler system of irrigation and his talk was interesting to the members.

Kenneth R. Young outlined the progress that has been made in the construction of the irrigation system.

Mr. Maranda's term of trusteeship terminated and Henry Hobson was elected as the new trustee. Mr. Young and Mrs. R. D. Brown-Clayton's terms run for another two years and one year, respectively.

Dr. and Mrs. Cecil D. Newby's new summer home on the beach side of Mission road is now completed and they will be enjoying it for brief periods before moving in with their three children, for the summer vacation.

Mr. and Mrs. H. B. D. Lyson, of Kelowna, have a permanent home under construction on their lakeshore property south of the Bluebird Auto Camp.

Mr. and Mrs. L. B. Plumby, of Comox, who are friends of R. M. Hurt, Eldorado Arms, spent a few days last week at the Arms. Mr. Plumby attended the Canadian Legion convention.

Mr. and Mrs. B. Salter, of Penikese, who are on their honeymoon, spent a few days at the Eldorado Arms.

Mr. and Mrs. Chester Owen are renovating their summer home to make it their permanent residence. It is situated on the beach side of the Mission Road.

Miss M. J. Corbett and Miss M. Christie, of Kaleden, who are having a horseback trip, spent a night at the Eldorado Arms, continuing on to Vernon the next day.

Mr. and Mrs. D. M. Robson, and daughter, Gayle, of Vancouver, are guests at the Eldorado Arms.

Mrs. C. G. Beaton entertained friends at a tea at the Eldorado Arms on Friday.

Mrs. Kuebler, Stanford, of Vancouver, is vacationing at the Eldorado Arms for some time.

Donald Sandercott and his brother, Bob Sandercott, motored from London, Ont., last week and are visiting their brother and family. Mr. and Mrs. O. F. Sandercott, at the Okanagan Lake Auto Court. Donald Sandercott, expects to leave for Vancouver shortly and Bob is returning to London.

At the meeting of the registered landowners of the regulated area held in the Mission Creek school Friday evening, A. Hardy, of Benvenuto, was elected to represent that area. George Goldsmith is the representative from Okanagan Mission.

C. Gordon Cockshutt, of Brantford, Ont., has been holidaying at the Eldorado Arms. Mr. Cockshutt is a well known Canadian businessman and is president of the Canadian Chamber of Commerce.

Don Thorsen, of Ottawa, has been the guest of Mr. and Mrs. George Goldsmith at their lakeshore home for the past week. Mr. Thorsen is enjoying a vacation tour through the U.S. and Canada. He will leave shortly for the Cariboo.

D. L. Morrell, of Montreal, was a guest at the Eldorado Arms. Mr. Morrell is the secretary of the Canadian Chamber of Commerce.

Mrs. George Albers and daughter, Genevieve, of Seattle, are spending a vacation at the Eldorado Arms.

Cameron Wilkinson, who has been the guest of his grandmother, Mrs. E. J. Cameron, at the Eldorado Arms, for two weeks, left Friday for Okanagan Falls.

A number of men and boys who are interested in seeing the tennis courts made ready for use, turned out Sunday morning and advanced the project another lap. Any other interested citizens will be very welcome to help.

The riding club met at the Community Hall Sunday morning, but as the weather turned damp, they were not able to enjoy the pleasant ride they usually have.

Mrs. Purves Ritchie is leaving Wednesday for Vancouver and Victoria to attend the B.C. International Kennel Club show. She will show three of her champion dogs at the show in the two cities.

Mrs. Campbell Sweeney, of Kelowna, is a house guest of Mr. and Mrs. Peter Mallard at their lakeshore home, "Red Beach."

## CHIMNEY FIRES KEEP KELOWNA FIREMEN BUSY

Four small fires, two of them chimney fires, had city firemen on the run during the past week. Damage in all the fires was negligible.

Firemen extinguished chimney fires at the home of Alastair Cameron, Rose Ave., and Richter St., during the afternoon of May 13, and at the residence of V. Gavon, 535 Francis Ave., on the morning of May 15. Dirty chimneys were blamed for the fires.

Firemen were called to a home on Harvey Ave. near Ellis St., about midnight Saturday, to put out a blaze in an old sawdust pile near the fence. Sunday, at 6 a.m., they put out a fire in a garbage can at Schell's Grill.

## FAST FOUR-FOOTER

The pronghorn antelope is the fleetest of native American quadrupeds.

## BENVOULIN

BENVOULIN—Among those entertaining guests at El Rancho last Monday evening were Mrs. Wyman and Mrs. Wilson, of Kelowna. The honored guests at the farewell dinner were Mrs. Sarrel and Mrs. Unger, who will shortly be returning to London, Eng., to rejoin their husbands.

A guest of Mr. and Mrs. C. Rampion last week was their nephew, Hubert Butt, of Seattle.

Bert Cooper, Jr., spent a few days fishing at Deo Lake last week.

Mr. and Mrs. Ian Smith are at present staying at the home of Mr. and Mrs. A. Smith, Benvenuto.

A ratepayers' meeting was held at the Mission Creek School last Friday evening for the purpose of choosing another member to be appointed to the Town Planning Appeal Board, and A. Hardy was chosen. It was suggested that a ratepayers' association be formed for the country district.

A. H. Hooper, principal of Mission Creek School, severed two fingers while operating an electric saw at his home last Friday.

The Stagette Club held their annual Mother and Daughter dinner at El Rancho last Monday night.

## IT'S HERE!...The GREATEST SUDS DISCOVERY in 2000 YEARS!

Procter & Gamble's **dreft** brings you **FASTER, BRIGHTER, SAFER CLEANING** even in the Hardest Water!

## STOCKINGS

Wear Longer! Look Lovelier Than With Any Soap!

You'll be delighted at Dreft's gentleness to stockings! Dreft suds leave no soapy film to heavy-up hose and cloud their beauty. Colors stay fresh far longer than with any soap you ever used! What's more—nightly Dreft-washing prolongs stocking life—gives noticeably longer wear!

## LINGERIE

Stays Brighter! Fresher! No Soap-Fading!

Dreft suds are milder to colors than any soap in the world! You'll agree when you see how your lovely lingerie stays color-bright far longer when washed with Dreft. There's no film to cause soap-fading. Dreft keeps your pretty slips, blouses, "undies" fresher than any soap could ever do.

## New WOOLENS

Wash Softer, Fluffier Than Ever Before!

When washed in Dreft suds your precious new wooleens are a joy to look at—a delight to feel! There's no soapy deposit to coarsen wooleens and dim their pretty colors. Your lovely new sweaters and baby things wash softer and fluffier than ever before. Yes, softer and fluffier than with even the most expensive soap flakes!

**dreft** GIVES YOU 5 TIMES MORE SUDS THAN ANY SOAP IN HARDEST WATER

- 1. No Soap-Fading! Now you can wash stockings, lingerie, wooleens—knowing with Dreft there's no cloudy film to cause soap-fading!
- 2. Dishes Shine—Even Without Wiping! With Dreft no dish towel is needed for wiping or polishing.
- 3. Instant Suds—More Suds! In cool water, in hardest water—Dreft suds billow up instantly. And notice, too, Dreft's rich abundant suds last so long!

• The demand for Dreft is tremendous. If your dealer is out of Dreft, please be patient—there will be more Dreft soon.

## BIRTHDAY PARTY

On Saturday night a party celebrating the birthday of Betty Davis was held at the home of her parents, Mr. and Mrs. Sidney Davis, of Okanagan Mission. A quiz contest with Ken Campbell as quizmaster, was held, and the party of 18 later joined in dancing.

## COPPERCRAFT STUDIO HEAD RETURNS HERE

Mr. Ted Jones, of Coppercraft Studio, arrived back from Banff on Saturday, in time for the meeting with Mr. G. S. Mahon, district supervisor of casually rehabilitation for the D.V.A. and his travelling rehabilitation team.

Mr. Jones reports that the building of his Banff studio is slow, due to labor and material shortages. He and Mrs. Jones had planned to be in Banff for the simultaneous opening of their studio and the Banff season on May 24. Now they hope to leave here early in June.

On Saturday, Miss Margaret Gregson and Miss Kay Watts came from Vancouver to train at the James Studio, near North St., locally known as Coppercraft Ave., prior to going to the new Banff Studio as salesgirls.

As well as his own copper jewelry, trays, bowls, jugs, frames, etc., Mr. Jones will handle a line of hand-made Peruvian silver, leather and woodwork, and the Cloverdale handpainted miniatures, brooches and pictures.

## PARTIES HELD FOR MAY BRIDE

On Wednesday, May 14, Miss Lyla Blackwood was honored at a trousseau tea given by her mother, Mrs. William Blackwood.

Mrs. Blackwood was assisted by her daughters, Mrs. William Stokes, of Vancouver, and Mrs. Ralph Daniels, of Kelowna.

About twenty friends gathered for a pleasant evening, guests including Miss Margaret Kincaid, of Penticton. Serviteurs were Mrs. Charles Blackwood and Mrs. Gladys Reid.

A bowling party was held on Thursday last in honor of Miss Lyla Blackwood and Ken Parkes whose wedding took place on May 17. Those present were Mrs. William Stokes, of Vancouver, Mrs. Ralph Daniels, of Kelowna, Miss Margaret Kincaid, of Penticton; Mr. and Mrs. C. Blackwood, and William, Roy and Alan Blackwood.

Harry Donald, of Vernon, is spending a few days at the Willow Inn.

## NEWS OF INTEREST TO WOMEN

Mr. and Mrs. George Wilson, of Kelowna, with their daughter, Leigh, spent the week-end at Willson Landing Beach.

Mrs. K. Abrams and Mrs. H. Abrams, of Penticton, are spending a short holiday at the Royal Anne.

Mrs. L. A. Wintemute, of New Westminster, is spending a holiday in Kelowna as guest of Mr. and Mrs. F. N. Gibson, on Riverside Avenue.

Mr. and Mrs. Alexis E. Post, of San Francisco, are staying at the Royal Anne for a few days.

Mrs. Melville Bagnall and her daughter, Mrs. Hugh Hender, and grandson, Byron Hender, all of Vancouver, are spending a holiday at the Royal Anne.

Judge and Mrs. J. Ross Archibald are guests at the Royal Anne for a few days.

Mrs. C. Cleveland, of Vancouver, is a guest at the home of Mr. and Mrs. V. B. Cumming on Park Avenue.

Mrs. V. B. Cumming entertained at an informal tea at the Willow Lodge on Wednesday, when out-of-town guests were Mrs. C. Cleveland, Mrs. Mae Tait and Mrs. Bryson, all of Vancouver.

Miss Florence Erickson, R.N., assistant inspector of hospitals, spent Monday in Kelowna.

Engagement. Mr. and Mrs. H. C. Collett, of "Summergrove," Okanagan Mission, announce the engagement of their youngest daughter, Nancy, to Dr. G. P. Talbot, D.V.M., eldest son of Mr. and Mrs. H. E. Talbot, of Westwood. The wedding will take place on June 24 at 2 p.m. at St. Andrew's Church, Okanagan Mission.

Mr. and Mrs. F. Towson, of New Westminster, are spending several days at the Willow Inn.

Out-of-town guests for the Konopaski-Hume wedding are Mrs. F.

S. Noyes and Mrs. D. O. Hughes, of Naramata, grandmother and great aunt of the bride; Mr. and Mrs. A. R. Konopaski, parents of the groom, and Leo H. Konopaski, all of Sequim, Wash., and Dr. and Mrs. H. L. Wright, of Auburn, Wash., all guests at the Willow Lodge. Mrs. James B. Robertson has come from Seattle to stay with her parents, Mr. and Mrs. C. Hume, of Glenmore, to be matron-of-honor to her sister.

Mr. and Mrs. McDonald, of Wynndel, are spending several days at the Willow Inn.

Minnie Hewlett and Lottie Gow, are leaving on Friday for a fortnight's trip to Alaska.

Mrs. Muriel Frouke, newly-elected president of the Business and Professional Women's Club, and Miss Mona Bent, provincial chairman of the emblem committee, left by car on Wednesday to attend the provincial convention at Chilliwack, on May 24. They will be guests at the Blue Ridge Ranch.

Miss Margaret Gregson and Miss Kay Watts arrived from Vancouver on Saturday to join the James Coppercraft Studios, near Long Street.

Mr. William Stapleton, passenger traffic manager of the C.N.R. from Winnipeg, and Mrs. Stapleton, spent Monday and Tuesday in Kelowna, during the course of Mr. Stapleton's inspection trip.

Mr. J. C. Stainton, of Kamloops, is spending a few days at the Willow Inn, on a business trip. He has brought with him his sister, Mrs. Ina Stainton, of Liverpool, England, who is making her first visit to the Valley.

Major and Mrs. C. H. R. Dain, with Kitty and Doris, arrived back from the Coast on Monday. Major and Mrs. Dain left on Wednesday to attend the graduation ceremonies at U.B.C. to see Doris get her B.A. in Arts. Doris recently returned from a short holiday in Los Angeles and Long Beach.

Mr. and Mrs. H. Gostick, of Vancouver, have been spending a few days at the Willow Inn. Mr. Gostick's visit was in connection with the government housing project.

Mrs. Harold O'Neill, of Thorold, Ontario, is spending a month or so with Mr. and Mrs. J. N. Cushing. Mrs. O'Neill is a sister-in-law of Mr. Cushing.

Mr. and Mrs. L. DeNure, of Peterborough, Ont., and their two small sons, are guests of Mr. and Mrs. W. Rightmeyer and Mr. and Mrs. R. P. MacLean.

Mrs. Evans, of Winnipeg, Man., is the guest of Mrs. Leaman and Mr. and Mrs. George Rannard, Ethel Street.

On Monday night, Mrs. Dayton Williams entertained at her home in honor of Mrs. E. Scott Graham, of Toronto, and Mrs. M. Shirreff, of Vancouver.

Mrs. B. H. Lewis, of Vancouver, arrived on Tuesday at the Willow Inn, for a short holiday.

Mrs. Dayton Williams left on Wednesday to join her daughter, Mrs. Frances Buck, at her home in Caulfield. From there, they will go to Victoria, for a week's holiday at the Empress Hotel.

Mrs. Lena Langstaff returned from the Coast on Tuesday, when she had spent the past fortnight, as guest of her brother, G. A. Meyers, of New Westminster.

Mr. and Mrs. Jim Purvis celebrated their 14th wedding anniversary on Monday night with a party at their home.

Mr. and Mrs. W. R. Goudie entertained at their home on Wednesday night on the occasion of their 33rd wedding anniversary.

John Kyle, who had been attending Lord Byng High School in Vancouver, is expected back on Friday, to go to his mother, Mrs. D. C. Kyle, on Strathcona Ave.

Mr. E. D. B. Hawkshaw, Mr. A. May and Mr. T. McPherson, of Vancouver, are staying at the Royal Anne, while visiting in Kelowna as examiners for the Bank of Commerce.

Mr. John Hall, of Creston, spent Tuesday and Wednesday in Kelowna in connection with the B.C. F.G.A.

Mr. J. P. Wadge came from Toronto a few weeks ago to join his son-in-law and daughter, Mr. and Mrs. John Hankey, who live at the corner of Pendozi St. and the K.L.O. Road. Mr. Wadge had lived in Winnipeg, where he had worked for the Winnipeg Free Press.

Robert L. dePuyffler has arrived home to join his mother, Mrs. Louis dePuyffler, having been discharged from transportation school in Virginia. On his way home, he stopped in New Orleans, El Paso and Juarez, in Mexico. He spent some time with his uncle, Albert dePuyffler, in Los Angeles, and visited other relatives in Yosemite and San Francisco.

Charles dePuyffler left his home on Abbott St., on Wednesday, for San Francisco, to rejoin the U.S. Merchant Navy.

J. S. D. Smith, U.B.C. graduate in agricultural soil science, arrived on Tuesday and will take up his duties as assistant soil surveyor with the B.C. Department of Agriculture, with headquarters in Kelowna.

Women's Meetings. Women's meetings, for which no admission charge is made, may be advertised free of cost under this heading. Copy must be given The Courier before 5 p.m. Tuesdays and Fridays.

The regular monthly meeting of the Kelowna Hospital Women's Auxiliary will be held in the Hospital board room on Monday, May 26, at 3 p.m. All new members and women interested in the work of the Auxiliary are cordially invited to attend. Tea will be served. Please note change of place of meeting.

## PEACHLAND

PEACHLAND—Mr. and Mrs. J. H. Wilson left Tuesday of last week to attend the graduation of their daughter, Rosemary, and spend a few days in Victoria.

Mr. and Mrs. G. Birkeland left for a trip to Seattle, Wednesday of last week.

Rev. H. S. McDonald left for the coast last week to attend the United Church conference.

Miss Rosemary Wilson arrived home Sunday, May 18, after her graduation at the UBC.

Mrs. S. E. Gummow, superintendent of Women's Institutes, spent the week-end with her son and daughter-in-law, Mr. and Mrs. J. B. Gummow, attending conferences at Kelowna and Vernon. Later in the month she will fly to East and will also go to Holland.

Mrs. Z. C. Witt left for Vancouver last week, and as a delegate attended the United Church conference.

In the absence of the Rev. H. S. McDonald, the evening service at the United Church was very ably taken by the W.M.S., with Mrs. P. C. Gerrie giving the address. Also taking part in the service were Mrs. M. Twinn, Mrs. D. C. Cousins, Mrs. W. H. Wilson and Miss A. E. Elliott.

SLATE FOR ROOF. In many European countries, slate is still used as a roofing material for buildings.

## Brides

## PARKES-BLACKWOOD

A pretty wedding of interest throughout the Valley was solemnized on May 17, at 2:30 p.m. before a flower-banked altar in First United Church, Kelowna, when Lyla Forrester, youngest daughter of Mr. and Mrs. William Blackwood, of Kelowna, was united in marriage to Kenneth Albert, only son of Mr. and Mrs. J. Z. Parkes, of Armstrong. Rev. Churchill officiated.

The lovely bride was attired in white satin and lace with bouffant skirt and slight train. Her dainty veil was caught in her hair with white chrysanthemums. She carried a bouquet of red roses and fern.

Miss Margaret Kincaid, of Penticton, acted as maid of honor in blue net over satin, with blue head-veil caught with deep pink carnations. She also carried deep pink carnations in her bouquet.

Mr. Elder Quamme, of Vernon, acted as best man and ushers were Mr. Ted Adkins and Mr. Ken Dwyer.

A reception for forty guests was held at the home of the bride's parents.

The happy couple was assisted in receiving by their parents. Mrs. Blackwood was in pearl grey with black accessories, with deep pink carnations in her corsage. Mrs. Parkes was in navy and white, and white carnations were her choice.

Mrs. George Dillon, aunt of the bride, and Mrs. Avison, poured tea at a daintily appointed table covered with a beautiful handmade lace cloth, centred with a bouquet of yellow tulips and pink columbine.

The three decorated cake sat on a table flanked with lily-of-the-valley and pansies.

The bride's eldest brother, Charles, proposed a toast to which the groom replied.

Serviteurs were Mrs. Charlie Blackwood, and the Misses Margaret Lane, Lera Avison, Ruth Clarke, Joyce Kass and Gwyn Foulds.

During the signing of the register Miss Ruth Clarke sang "Because" and again at the reception. For travelling, the bride chose a dressmaker suit of powder blue with gold studding and accessories of black and a deep red carnation corsage. She carried a topcoat of darker blue.

The happy bride did not throw her bouquet, but presented it to her sister-in-law, Mrs. Roy Blackwood, who that same morning had presented her with a nephew.

Among out-of-town guests were the bride's sisters, Mrs. Ralph Daniels, of Penticton; Mr. and Mrs. J. Z. Parkes, of Armstrong; Mr. and Mrs. Elder Quamme, Mrs. Page, Mrs. B. Balcombe, Mr. George Balcombe and Mr. Harry Bryce, of Vernon.

## W.I. MEMBERS ATTEND PARLEY

Members of the Kelowna W. I., joined by members from Rutland and East Kelowna, chartered a bus to attend the annual district convention of the W.I. at Keremeos on Thursday, May 15. There were 17 delegates from Okanagan Centre to Osoyoos and 107 visitors registered. An address of welcome was given by Mr. Pearson, of Keremeos.

Mrs. Stella Gummow, superintendent of the W.I. for B.C., was one of the convention speakers. Others were Mrs. J. H. East, Mrs. C. J. McKee and Mrs. H. Gled, the latter two speaking in "The Good Book."

Mrs. C. W. Lintott and Mrs. J. B. Clarke spoke on "Citizenship."

Mrs. P. W. Pixton, of Okanagan Centre, and Mrs. Roy Endersby, of Osoyoos, were re-elected president and secretary, respectively, of the South Okanagan District W. I.

## 2 MAY 24 CELEBRATION

More About

From Page 1, Column 5

Princess Lorraine Klein will be 13 on May 23, and is the third in a family of five girls and a boy. Little girls seeped into the room from all corners, during the interview, and baby burying its face in her mother's shoulder, one with an armful of lilac, one with a handful of black and white kitten that is to take part in the pet parade, while another sister was fishing in a creek. Mr. and Mrs. Adam Klein, who were born in LaFleche, Sask., and moved to Kelowna six months ago. They love the change from the prairie, and the creek running through the garden at 1907 Richter.

Lorraine's dad is working at Camp 3, of the Youbou Logging Co., on Vancouver Island and will be home in June. She is one of a class of over 40 school children. Lorraine is captain of one of the two ball teams in her class. She loves skating, having had a full season of skating on the pond over this winter. She loves horses, and all outdoor life, but misses her piano lessons, as the family sold their piano when they left the Prairies.

"In the summer, I like swimming most of all," she said. "I fish in the creek with my sisters. Last Saturday I caught a sandfish on a willow stick with a string and a bent pin."

Queen Linda Ghezzi is 11 and there are 46 in her class. She is inclined to be a linguist. Mrs. Ghezzi was born in Phoenix, British Columbia's ghost town, near Grand Forks, while her father, who is manager of Calona Wines Ltd., was born in Coriano, Veronesi, Italy, and speaks three languages. Linda is taking her grade six piano exams, and has studied at the convent with the Sisters for six years. She went to the piano and played two beautiful pieces: Caesar Franck's "Adagio" and a "Gavotte" by Bach.

Linda is as dark as her princess. Moira is fair. A girl guide, she won her swimming badge at the Aquatic, loves sport and is longing to start riding. She skates and wants to start skiing next year. The only child, Queen Linda was born in Kelowna, where her family has lived for 13 years. Linda loves organizing and has formed a "Four Roses Club". The clubrooms are in a long cupboard-like space, under the eaves of their Pendero St. home. Here she has a museum, each article neatly arranged and labelled. There are birds and wasps' nests, shells, coin collections, mineral rocks, a collection of 17 dolls, a teddy and a dog, arranged along the wall, graded as to size. There is a book with neat instructions to club members.

Set of Rules  
A set of rules reads:  
"1. Do not come in with your shoes on. 2. Don't touch anything in the museum. 3. Don't spit or touch anything in the mailbox. 4. You must bring at LEAST two pennies each week. 5. You must do your duties faithfully. 6. You must bring at least one picture a week. 7. Put your scraps in the junk box. Don't leave things."

There are beautifully made paper roses, done by Linda, who loves handicrafts.  
Mrs. Ghezzi says that Linda is a tomboy. "All winter long, the children played here and I didn't mind in the extra work and bit of mess. I kept them off the streets and kept them busy and happy," she said. "The five and six extra pairs of feet running up and down stairs, accounts for the rule, Linda made, of 'take your shoes off.' Some of her friends said to her the other day, 'Ghezzi! Do you think you can act like a lady long enough on the day you have to be Queen?' However, it is obvious that Queen Linda, wholesome, happy, natural and sweet, is capable of rising to any occasion.

PLACE LINE UNDERGROUND  
City Council Monday night approved the expenditure of \$100 to remove a telephone line in the Glenmore district, near the civic airport. The line will be placed underground to assist landing facilities at the airport. Glenmore municipality agreed to pay half the cost.

of party advantage. My loyalty is to my province and I am ready to stand or fall on this issue," declared Mr. Wismer.

During his hour and fifteen minute address that had every one of the 90 members of the Board of Trade listening intently, the attorney-general discussed the legislative program of the 1947 Legislature and briefly outlined some of the important acts.

Dealing with the "Industrial Conciliation and Arbitration Act," he said the legislation had been discussed thoroughly for a month, with representations from both sides, before it was put through.

"This act, in general terms, follows along the line, with some modifications and improvements, of the P.C. 1003, with one or two important exceptions," he explained.

Right of Employees  
It preserves the right of the employee "to negotiate with his employer freely and without threat or coercion or improper interference." He pointed out the government recognizes the wishes of the employees and that workmen have the "right to strike when their reasonable demands are not met."

Mr. Wismer said labor as a whole was not opposed to the contentious sections of the act which forbids strikes and lockouts without a secret vote supervised by the government.

"The right to strike is still preserved, but not the right to strike at the dictates of any small group of labor leaders, but only at the request of the men themselves. What unions are trying to do is lay down a code which is fair to everybody," he said.

"I think this is a good act," he continued. "Both management and labor must co-operate to see that through the act, many of the strikes, costly to themselves but mostly to the public, will be avoided."

Forest Conservation  
Turning to the Forest Act he informed the meeting that out of every dollar B.C. produces, 33 cents come from the forests and their products. The new legislation is strictly conservation, he declared.

"Every operator has to reforest the land he logs at his own expense." He said the act, in its present form, meets with general approval, and he assured there was plenty of room left for the small operators in spite of the complaints.  
"When we consider the rate of waste and the impact on our province, I think I am safe in saying that this act will be remembered as one of the most progressive and most sound acts that has ever found its way into the statutes of the province."

Too Much Drinking  
Dealing briefly with this year's amendments to the Liquor Act, he said there was "too much drinking in B.C. The people of this province do not want cocktail bars."

The government was trying to teach B.C. to drink moderately and wisely, he maintained. It was trying to work with Alcoholics Anonymous, for which organization he had high praise. "We want to initiate a program of education in the schools, among the young people, and all through the province. We intend to get the best man available for that job," he disclosed.

"I think this is a forward step in the right direction, and will receive the support of British Columbians."

From there he passed to the Game Act. He told the meeting that this year the game department got the largest appropriation it has received in the history of the province.

A sportsman himself, he lauded the effects of taking sport up seriously. "Where you have a young man or woman interested in hunting and fishing, there is no need to worry about delinquency," Mr. Wismer declared.

He admitted the Cameron Report, dealing with school administration, did not turn out the way it was

hoped. But he promised steps were under way to bring in a program that would give the government "exactly what we started out after when the report was adopted."

### Open Up Northern Empire

Turning finally to the future policy of the government, the able spokesman said the program would be to "proceed with the utmost dispatch with the tremendous road-building and maintenance plans outlined by the Minister of Public Works, opening up farms and mines and bringing in ever-increasing volume the flood of tourist dollars which is fast becoming an important factor in our economy."

Building the P.C.E. and opening up the empire of the north, was another highly important bit of work on the agenda, he said. "It will make opportunities for thousands of our young people to become pioneers and start out anew." He affirmed the fact that Premier John Hart did not want to sell the P.C.E. to any individual, but that he wanted to enter into a partnership with the Dominion Government and the railways to build it and open up the north to settlers. Concluding, he remarked: "If you have a sensible and experienced group of men in your government, if they keep up with the times, if their policy is based upon the principles of fairness to all and special privilege to none, then I firmly believe we can look forward to the bright era of development and progress of any country in the world."

## 4 CAR OWNERS

More About

ional levy of an amount up to \$1 on each motor vehicle owner at the time he obtains his licence."

He pointed out in order that the legislation could become effective in the forthcoming licence year, it was introduced in its present form. "But," he declared, "lots of people and justly so, protested against payment of the extra \$1. I am happy to say that now they won't have to. The insurance companies will administer the fund (unsatisfied judgment)."

Only 40 per cent of the cars in the province are insured, the minister said. When he proposed full protection plan come into effect by proclamation, he foresaw a big increase in insurance policies underwritten.

The appropriate amendments to the legislation already passed will be introduced at the next session of the Legislature, he promised.
